Court Suspends Second Sentence In Lewis Case

**Indefinite Suspension Of
Punishment On Second
Contempt Charge Is
Directed**

COURT RULES COAL STRIKE IS OVER

By PHILLIPS J. PECK
(N. S. Staff Correspondent)

WASHINGTON, April 23.—Federal Judge T. Alan Goldsborough ruled today that the coal crisis has ended and indefinitely suspended punishment of John L. Lewis and the United Mine Workers for civil contempt of court.

Goldsborough accepted the government's report that coal production now is "nearly normal" and its recommendation that sentences on the civil contempt conviction be postponed for an indefinite period.

Lewis, stoney-faced and impassive, gave no indication of any emotion as the judge adjourned the case after expressing gratification that the miners had bowed to the court and were returning to the pits.

Lewis Is Silent

The United Mine Workers president—whose attorneys are appealing the \$1,420,000 fine levied against him and against the union for criminal contempt—left the courtroom without comment.

Action of the miners in acceding to Lewis' "wish" that they call off their protest strike against the criminal contempt penalty saved their chief a possible jail sentence.

Assistant Attorney General H. Graham Morrison stated that more than 85 percent of the 400,000 soft coal miners have returned to their jobs.

Welly K. Hopkins, chief defense counsel, said he had no objection to the indefinite postponement of disposition of the civil contempt issue.

Goldsborough then said: "The court thinks that the gov-

(Continued on Page Two)

Pa Newc Observes

Harry F. Gere, chief engineer of the City of New Castle Water company, found evidence the other day that a deer had jumped a four-foot fence surrounding his property, on Cienmore boulevard, and had been browsing in his garden.

Workmen are engaged in erecting the scaffolding and doing other work that is necessary prior to the erection of the World War II monument on the southwest corner of the court house lawn.

A few small peach trees that were set out about three years ago in an east side yard have been killed by insects, it is noted by Pa Newc.

The insects have burrowed in near the roots of the trees and have done their destructive work.

Pa Newc has received the following note: What do you think about this dog situation? Dogs belonging to neighbors running loose when we ourselves have a dog also but keep our tied. We have a good number of places around our home and too many visits of dogs prove fatal to the pines.

Hitch hiking is on the increase again at various exits of the city. Most of the hikers are evidently going some distances as large suitcases are in their possession. Rides are not quite as prolific as they were a number of years ago.

New Castle high and county high schools are making extensive plans for baccalaureate and commencement exercises in the respective schools. New Castle high will hold its annual commencement exercises at the Cathedral on Tuesday evening, June 1, although school itself in the city will not be officially dismissed until June 4.

Daily Weather Report

United States weather statistics for the 24-hour period ending at 9 o'clock this morning:
Maximum temperature, 67.
Minimum temperature, 41.
No precipitation.
River stage, 6.4 feet.

Statistics for the same date a year ago, follow:
Maximum temperature, 61.
Minimum temperature, 44.
No precipitation.

Britain Rejects Plea For Extending Stay Of Palestine Forces

LONDON, April 23.—(INS)—The British cabinet was reported today to have refused a United States request that British troops and administrative officials stay on indefinitely in Palestine beyond scheduled evacuation dates.

The account of the cabinet action was reported by the London Evening Star.

It said, however, that the British announced policy to surrender the mandate on May 15 and to withdraw all troops by August 1 may be modified.

New Instructions
Colonial Secretary Arthur Creech

Jones, now attending United Nations sessions, was reported to have received new instructions. These included three conditions under which the British may delay withdrawal.

The newspaper said these are:
1. That the United Nations decide on temporary trusteeship.
2. No attempt be made at this stage to enforce partition.
3. British responsibility shall be no greater than any other U. N. member participating.

Earlier political circles said the British soon may announce a decision to maintain some troops in Palestine after August 1.

The directors are: M. J. Donnelly, Thomas H. Hartman, A. Crawford Hoyt, Charles H. Johnson, Jr., James K. Love, Jacob F. Rentz, George T. Weingartner, Frank B. Offutt, J. Preston Flaherty, Alvin Shenkan, Ivor V. Davis and Edward M. Flaherty.

Reviews Year's Record
President of the Board, J. Preston Flaherty called the meeting to order and for a short time discussed the financial report for 1947. The report shows a satisfactory volume of business done, all indebtedness paid, and a dividend paid stockholders in 1947.

A tribute of respect was paid the late P. J. Flaherty, who for many years was the president of the board. Introduced by Thomas H. Hartman, the action upon it was unanimous. More than any other one man Mr. Flaherty was responsible for the piloting of the hotel finances through lean times.

The directors were nominated en bloc and an election committee consisting of Thomas H. Hartman, Robert W. Garland and P. Fred Butz counted the ballots. A total of 3,857 votes were either present or represented by proxies.

Battle On Plan To Subdue Holy Land Violence

By PIERRE J. HUSS
(N. S. Staff Correspondent)

LAKE SUCCESS, N. Y., April 23.—A staff battle between Russia and the western powers over ways and means to subdue violence in the Holy Land looms today in the United Nations.

American delegates were given added "fight" for the trusteeship plan with the blunt announcement by President Truman that the United States will send troops to Palestine if the U. N. decides on the creation of an international force.

Delegates also were given an added lift in reports preceding the president's statement that talks between Washington and London have reached the preliminary stage to an accord on the trusteeship.

French delegates are skeptical of reports claiming that the Washington-London consultations also are endeavoring to reach an agreement with France on the Holy Land, which eventually would commit all three major powers to send joint military expeditions to Jerusalem.

At the same time Soviet delegate Andrei Gromyko and several delegates from Russian satellite states let it be known that any U. S. move to "steamroller" the trusteeship will be fought.

SIGN AID PACT
PRAGUE, April 23.—(INS)—Czechoslovakia and Bulgaria today signed a 20-year treaty providing for mutual military aid in event of aggression by Germany or German allies.

The pact also contains cultural and economic clauses.

SERIES OF TREMBLORS
CIUDAD TRUJILLO, D. R., April 23.—(INS)—The Dominican Republic was rocked today by a series of small tremors.

WASHINGTON, April 23.—(INS)—The senate armed services committee encountered a delay today in its attempt to whip defense legislation into shape for congressional action.

The army postponed until Monday its presentation of a substitute for universal military training estimated to be less costly in dollars and manpower.

Twenty-One Republics Of Western Hemisphere Pledged To Battle Reds

By JOHN A. REICHMANN
(N. S. Staff Correspondent)

BOGOTA, Colombia, April 23.—The 21 Republics of the western hemisphere pledge themselves today to combat Communism.

A resolution to this end was adopted unanimously by the 21-nation steering committee of the Inter-American conference.

Wait Moscow's Reaction
Moscow's reaction to the agreement calling for stern countermeasures to activities of the Communists was awaited anxiously.

Under the resolution the American Republics are pledged to stamp out Communist campaigns led and managed by foreign agents from the Soviet Union and her satellites.

They agreed to maintain bureaus which will keep tabs on any activities in their respective countries and to warn neighboring states where Communists are active or might be expected to campaign.

The action marked a historic step in continental solidarity and hemisphere defense. One surprise—(Continued on Page Two)

NEW WILMINGTON, April 23.—Fire which developed early this morning on the Fred Ruby farm, occupied by Carlisle McCrumb, caused damage that resulted in a loss of \$7,500 as a barn, livestock, equipment and grain were consumed.

The fire was discovered about 5:30 a. m., by Norman Anderson, and the alarm given. But the fire had gained such a start that New Wilmington firemen were powerless to save the structure.

In addition to the barn, four head of cattle, twenty or thirty pigs, about 150 bushels of wheat, and farm equipment were destroyed.

The barn, located on a property about 150 yards east of the Science hall at Westminster College, was close to the barracks occupied by veterans in Westminster, and the occupants of four barracks were alerted when the fire was discovered. The blaze, however, did not spread.

The loss in the fire is partially insured, it is reported. Mr. Ruby and Mr. McCrumb were joint owners of the stock on the farm.

Rev. Humke decried the trend toward specialization and regimentation, stating that the people of America do not believe in a (Continued on Page Two)

Man Is Missing After School Fire

PITTSBURGH, April 23.—(INS)—An elderly man was missing and feared dead today following a fire which destroyed the Carnot elementary school building, in Moon township, near Pittsburgh.

All pupils and teachers were safely evacuated before the fire swept out of control late Thursday afternoon.

J. A. Allard, supervising principal of Moon township schools, estimated the total loss at nearly \$90,000.

Approximately 60 firemen battled the blaze and were severely handicapped by the thick clouds of smoke that rolled out of the one story building. They are still searching for Milton Hissam.

Hissam has been employed by the school for the past 20 years.

WASHINGTON, April 23.—(INS)—Rep. Thomas (R) N. J., threatened today to "get tough" with the administration's refusal to disclose a confidential FBI letter on the loyalty of atomic scientist Edward U. Condon.

Thomas, chairman of the house un-American activities committee, set Saturday as a "reasonable" deadline for a response from the commerce department to a house resolution calling for the letter written by FBI Director J. Edgar Hoover "forthwith."

The congressman's "threat" was made after President Truman indicated clearly to his news conference that he will refuse to budge from his position that loyalty information must be kept secret.

Boeing Strike In Second Day

SEATTLE, April 23.—(INS)—The powerful International Association of Machinists threw its full support today behind a strike of 14,000 of its members that has stopped production of hundreds of air force planes at the Seattle Boeing plants.

This move was disclosed as the walkout entered its second day, with pickets continuing their 24-hour-a-day patrols before the giant aircraft factories.

It was announced by Joe L. McBreen, general vice president of the International Association of Machinists, following his arrival in Seattle by plane from Washington, D. C., late yesterday. McBreen, who flew west after attending a meeting of the union's international officials in the nation's capital, declared:

"The international will go to every extent to win the strike."

Midnight, Sunday Set For Start Of Daylight Time

Heads Of Industries And
Council Agree On Pro-
gram, This Morning

DECIDE TO ADOPT FAST TIME HERE

Commencing at midnight, Sunday, the city of New Castle, and its industry, will go on summer time, or, in other words, daylight savings time, according to action taken at a conference attended by Mayor John F. Haven, members of council, and industrial leaders, in city hall this morning. Adoption of fast time is expected to eliminate much confusion here.

At Conference
Those in attendance at the conference were:

Mayor John F. Haven and Councilmen J. D. Alexander, Richard I. Davis, James Gibson and Albert Hoyland.

L. B. Round, president of the GNCA, and vice president and general manager of the Pennsylvania Power company.

J. Preston Flaherty, president of the Johnson Bronze company.

Clyde M. Whitaker, executive vice president of the Universal Pottery company.

Howard B. Cummings, plant superintendent of the United Engineering & Foundry company.

James M. Smith, Jr., president of the Shenango Pottery company.

The foregoing industrial leaders also spoke for the National Radio-tory company.

To Use Fast Time
Mr. Smith stated that his plant either had to go on fast time or change the work schedule, hence it was decided to use fast time. He stated that, it was the opinion that "we all feel New Castle must be in step with the balance of the district."

Mr. Flaherty stated that the sales forces of the organization, located (Continued on Page Twenty-seven)

West Pittsburg Facing Loss Of Water Service

West Pittsburg residents and industries face a possible discontinuance of their water supply.

In a petition filed with the Pennsylvania Public Utility Commission, the West Pittsburg Water Company owned by Barnett Marcus and P. A. Paulson have asked permission to discontinue service to the district, alleging rising losses and obsolete equipment.

The water company was originally installed and owned by the Garland interests. When the buildings and homes were disposed of several years ago Marcus and Paulson kept the water company along with some buildings.

A notice of the action has been served upon the county commissioners, Harvey B. Bush, chairman of the board said, "this notice has just come to my desk and I do not know as yet what our legal responsibilities are or what action we should take. Personally I feel that this action is wrong. The people of West Pittsburg are entitled to water and I believe a vigorous protest should be made."

Forty years ago two civic-minded women, Miss May White and Mrs. I. B. Griffith organized the first Y. W. here. Headquarters were in the Woods Block and like all such movements, for a time it was small. The enthusiasm and hard work of the two founders soon got results and by the time the Y.M.C.A. was ready to move into its new building on the north-west corner of the public square the YW was large enough to warrant taking over the old YM building.

The fortieth celebration will mark the conclusion of the current membership drive with an ingathering for new members and a rededication of old members featuring.

A smorgasbord dinner has been arranged and it is anticipated the fortieth celebration will attract a crowd of members and friends of the association.

Thomas Threatens To 'Get Tough' On Letter On Condon

WASHINGTON, April 23.—(INS)—Rep. Thomas (R) N. J., threatened today to "get tough" with the administration's refusal to disclose a confidential FBI letter on the loyalty of atomic scientist Edward U. Condon.

Thomas, chairman of the house un-American activities committee, set Saturday as a "reasonable" deadline for a response from the commerce department to a house resolution calling for the letter written by FBI Director J. Edgar Hoover "forthwith."

The congressman's "threat" was made after President Truman indicated clearly to his news conference that he will refuse to budge from his position that loyalty information must be kept secret.

Arthur Mometer

The schoolboy eyes the calendar with more than a casual eye, he thinks of the fun of summer days as the days of the year fill by. He's worked at summer jobs hard and counting the time when he can go to the beach, rivers and towns. But the sun is out and the trees are green, and he's glad of the fact he's alive, and he wishes vacation would hurry up, and the weather is sixty-five.

Expect Housing Bill To Pass

WASHINGTON, April 23.—(INS)—A key GOP leader today predicted congressional passage of a long-range housing bill in the wake of Senate approval of the Taft-Hillender-Wagner measure.

Stiff opposition is anticipated, however, the Senate provisions providing federal aid for public housing and slum clearance with a distinct possibility that they may be eliminated by the House.

Rep. Wolcott (R) Mich., chairman of the House Banking and Currency Committee, said his group will open hearings May 3 on the vast housing program approved by the Senate Thursday. Senate passage came by voice vote after a week's consideration.

Provides Five Billions

Wolcott stated that the committee is "going to take a look" at the housing legislation. The bill provides more than five billion dollars in incentives for private and public housing in an effort to spur the production of seven and one-half million units during the next five years.

Wolcott, whose committee two years ago pigeonholed the original T-E-W bill after Senate passage, promised that while "adequate hearings" will be held there will be no "filibuster" against the legislation.

He predicted that "a housing bill will be passed at this session of Congress," but declined to say what form the measure would take. He noted, however, that differences of opinion existed over the public housing sections of the bill.

Mrs. I. B. McCracken Claimed By Death

Word has been received here by Mr. and Mrs. M. W. McCracken, R. D. 4, of the death of their sister-in-law, Mrs. Ida Boak McCracken, aged 77 years, of Chatham, N. J., widow of James S. McCracken. She died suddenly at her home Wednesday evening following a heart attack.

The deceased was preceded in death by her husband in November 1944. She was born in Slippery Rock township, daughter of the late Aaron and Barbara Stoner Boak.

Surviving are a daughter, Genevieve, at home, and several nieces and nephews.

Funeral services will be held Saturday afternoon at 2 o'clock, and burial will be made in Hillside cemetery in Jersey City, N. J.

The proportion of Negroes in the U. S. population was reduced from 19.3 per cent in 1790 to 9.7 per cent in 1930.

TO PRESENT SUBT. MILITARY TRAINING PLAN

(Continued from Page One)

overall manpower and size of the air force, the Senate appropriations committee made plans to open hearings Monday on the House appropriation for a 70-group air force. The administration's air force compromise proposal for a 66-group air force now is before Gurney's committee.

Sen. Bridges (R) N. H., appropriations committee chairman, promised "speedy action" on the three billion 198 million dollar House bill for plane procurement. He said:

"If this thing is as serious as they say, we want to move as swiftly as possible."

TWENTY-ONE REPUBLICANS JOIN BATTLE ON REDS

(Continued from Page One)

ing fact is that some countries where substantial Communist voting elements exist went along.

An interesting fact was that Chile, where 50,000 Communist votes controlled one election, led in drafting the resolution. Chile's attitude is explainable, however, by the fact that she suffered an attempted coup allegedly inspired by Yugoslav Communist agents.

First Of Kind

The pact also is historical in that it is the first anti-Communist agreement to be signed.

The immediate concern in Bogota is the possibility of new Communist disturbances since the Communists were charged with responsibility for the bloody April 9 revolution which disrupted the inter-American parley.

Extra precautions to safeguard the delegates were said to have been taken because of this situation.

STATE GIDEONS ARRIVE IN CITY

(Continued from Page One)

tanously on Saturday afternoon with Mrs. Robert Chappell, state vice president in charge.

The state banquet is planned at 8:30 p.m. for the Cathedral with a program to follow the banquet. Sunday morning, some 75 pulpits in the city and county will be filled by the men.

Sunday afternoon, a Bible dedicatory service will take place when Bibles will be placed in The Castle, New Penn hotel and the Jameson Memorial hospital new nurses home. The convention will close Sunday evening at 8:30 o'clock.

In connection with the convention, a display of Bibles is being shown in the windows of the Penn Power Company and the Chappell Book store on Mercer street.

Deaths Of The Day

Mrs. Mills Funeral

Funeral services for Mrs. Ella Mills, widow of Frank Mills, 703 West Washington street, were conducted Wednesday afternoon at 2 o'clock from the Mahoning funeral home with Rev. T. C. Henderson, former pastor of Moravia Presbyterian church, officiating.

Joseph McKim, Norman Duff, Herbert Leslie, Loyal Gilkey, Leslie McBride and Kenneth Bright served as pallbearers.

John Lepisto Funeral

Funeral services for John Anselm Lepisto of R. D. No. 6 were held from the Trinity Lutheran church South Ray street at 2:00 o'clock Thursday afternoon.

Rev. Edward A. Leppaluoto, pastor of the Trinity Lutheran church was in charge of the services. He was assisted by Rev. Matthew Lepisto, brother of the deceased, and Rev. Einar Lehto, a former pastor of the church.

During the services Mrs. Edward Leppaluoto, sang several selections. She was assisted by Miriam Karki at the organ.

Pallbearers were Andy Shellok, Jack Nygard, Sr., Eli Jokl, Charles Aho, Konsta Pikkari and Eino Mackey.

Interment was in Greenwood cemetery.

Miss Novelli Funeral

Funeral services for the late Miss Angeline Novelli of 715 South Mill street, were conducted this morning, with a short service in the DeCarbo funeral home at 8:30 o'clock, with further services at St. Vitus church at 9 a. m.

Solemn requiem mass was held with Rev. Fr. Nicholas DeMita as celebrant; Rev. Fr. Albert Inteso as deacon and Rev. Fr. Vincent Bartoline as sub deacon.

Pallbearers were: Ettore Sfredo, Frank Bullano, Ralph Letren, Joseph and Bernard Passeretti and Anthony Caprio.

Interment was in St. Vitus cemetery.

Charles K. Kuhn

Charles Koshin Kuhn, aged 91 years, Harbor Bridge, R. D. 1, died suddenly Thursday evening at 6:45 o'clock at his residence.

He was born January 25, 1857, in Pittsburgh and moved to this district from Pittsburgh 50 years ago. The deceased was the last survivor of his immediate family. He was formerly affiliated with Kuhn & Kuhn, brokers, in Pittsburgh.

Mr. Kuhn leaves a number of nieces and nephews.

His wife, Mrs. Julia French Kuhn, preceded him in death in 1927.

Funeral services will be conducted Sunday afternoon at 2 o'clock from the Fred C. Wolford funeral home, 215 East North street. Interment will take place in Oak Park cemetery.

Friends will be received at the funeral home this evening from 7 to 9 o'clock and Saturday from 3 to 5 and 7 to 9 o'clock.

Scout First Aid Meet Has Fifteen Troops Enrolled

Advance registrations indicate that the Boy Scout First Aid meet, which is scheduled to be held on Saturday evening at the George Washington Junior high school, will be one of the largest of its kind ever held.

Thirty patrols representing 15 different troops in the district have made reservation. Participation will be on the basis of natural patrols under the leadership of their own patrol leader.

Streamers will be presented to all patrols participating. The color of the streamer will be determined by the total points earned by each patrol.

E. D. Hawk, council commissioner, will act as master of ceremonies for the meet, and Harry D. Culliford, chairman of the Health and Safety committee, will be in charge. Mr. Culliford has been quite busy during the past two weeks recruiting a sufficient number of adults to serve as judges.

The public is cordially invited to attend.

The meet will start promptly at 7:45 p. m.

Residents of the Isle of Man, which has been a British possession since 1765, say that Britain and Ireland were once parts of the island.

CONFERENCE OF ROTARY CLUBS TO END TONIGHT

(Continued from Page One)

planned society; the only remedy being to see that while specialists are always on tap, that they never be permitted to get on top.

This calls for a program of service which Rotary is able to offer. Our government, he stated, is based on the sovereignty of the individual. Democracy will only continue when man continues to serve his fellowmen unselfishly.

We should be concerned about this and be doing something about it now, before it is too late, he said. We fear communism, he stated, yet we go out and act like communists.

"On one side we have a group which says take all you can get, and on the other side a group which says, give all you can. We either have the will to gain power, or the will to serve others. The former leads to totalitarianism. Do we want to ally ourselves with the forces which build up, or the forces which destroy. We cannot accomplish worthy ends by coercion. We must do something about ourselves if we are going to build up, which is precisely what Rotary set out to do 4 years ago," he stated.

Keynote Address

The keynote address of the convention, "Going Forward," was given by Dr. Albert Marriott of Meadville. He spoke about the many things in Rotary which make it a treasure island for its members and for the communities where Rotary flourishes.

While everyone seems to be concerned these days in making easy money, in Rotary there is a treasure which can be used as current goods, he stated, and then went on to enumerate these treasures: namely, service to others and the association with men of high principles, in accomplishing things which are worthwhile to every community.

"How can a president increase interest in his club?" was discussed by Dr. C. C. McKim of Cochran, Pa. This was followed by group discussions: club service being led by Allan J. Scilly of Warren; community service by Charles W. Lillibridge of Smethport; vocational service by Glenn H. Rickert of Kane, and international service by Dr. Morgan Barnes of Grove City.

At six o'clock the dinner for the newly elected club presidents and the district governor and district governor nominee, all past district governors and the wives and lady friends of the group.

A reception for all Rotarians and Rotary Anns followed at eight o'clock.

Morning Program

This morning's program was as follows: Group singing—John O. Huston, New Castle, song leader.

Report of district custodians.

Theodore R. Sponsler, Warren.

"Do You Know Your Community," J. E. Burns, Oil City.

District business: Report of Registration committee, communication, service secretaries, the Rio convention, explanation of proxy voting.

Singing.

"A Member Training Program," Peter Reimold, Sharon.

"Building Bridges of Understanding," Douglas E. Young, Butler.

"Rotary Builds for Tomorrow," Past District Governor Lewis T. Briggs, Erie.

"Appraisal of Club Affairs," Chairman Frank A. McClung, Butler.

Afternoon program: District Governor Nominee Stanley A. Gillespie, Greenville. The Zellenople club will have a luncheon at the hotel.

Rev. Philip W. Seiberling, vice president of the club, presiding.

Group singing.

"New Frontiers in International Service," Prof. Roy H. Johnson, Greenville.

Address: Arthur S. Fitzgerald, Windsor, Ontario, past vice president of Rotary International and personal representative of President S. Kendrick Guernsey.

"Service Unlimited," Prof. Jack Kennedy, Grove City.

Memorial service, the Rev. John C. Talbot, Knox.

Report of Conference Treasurer: Frank L. Orth, New Castle.

Summary, Arthur S. Fitzgerald. Closing business session.

Recess.

Conference fellowship banquet.

Rotary Anns Entertained

While the Rotarians were busy with the conference Thursday afternoon, the Rotary Anns were entertained at a reception and tea in the "House of Friendship," the lobby of the Cathedral having been attractively decorated with evergreens.

Mrs. Carl Paisley and Mrs. Lewis C. Dayton are co-chairmen of the Rotary Ann program, assisted by Mrs. Ed. Dayton, Mrs. Edwin Fease, Mrs. Frank L. Burton and Mrs. J. Glenn Berry.

This morning the ladies visited the plant of the Shenango Pottery company, and this afternoon a luncheon at the New Castle Field club was arranged for those not able to make the trip to the Pottery.

The features of this afternoon and evening's program are the address by Past Vice President Fitzgerald of Windsor, Canada, and the banquet address by Hon. Josh Lee this evening. Mr. Lee is former senator from Oklahoma.

Seven Injured In Fire At Bridgeport

BRIDGEPORT, Conn., April 23.—(INS)—Seven firemen and civilians were injured battling a half million dollar waterfront fire in Bridgeport which was still burning today.

One of the seven was hospitalized. The others were treated at the scene.

More than eight acres of buildings, stacked lumber, the city's largest dock with cranes and other machinery used to load ocean going vessels, were destroyed. The fire was described as the largest in Bridgeport since 1887.

We wish to thank our friends, neighbors and relatives for their kindness and sympathy extended to us during our recent bereavement. Also for the many beautiful flowers and cards donated. Also Rev. Lehto and Rev. Leppaluoto, for their kind service.

MRS. JOHN A. LEPISTO AND FAMILY.

Card Of Thanks

We wish to thank our friends, neighbors and relatives for their kindness and sympathy extended to us during our recent bereavement. Also for the many beautiful flowers and cards donated. Also Rev. Lehto and Rev. Leppaluoto, for their kind service.

MRS. JOHN A. LEPISTO AND FAMILY.

FAIRLESS HOPES STEEL MOVE WILL CURB INFLATION

(Continued from Page One)

"costs should continue to advance, then in fairness to our employees and to our stockholders we will have to consider at some later date the adequacy of both wages and steel prices under existing conditions."

The head of "Big Steel" asked that the plan be given a fair chance to work.

Murray, on the other hand, accused the company of using a "moderate" wage increase granted the steelworkers last year as "an excuse to raise steel prices three times as much as the direct cost of the wage increase."

Murray Makes Charge

Murray charged that the company failed to negotiate in good faith on the wage issue. He said that the company has failed to demonstrate any lack of ability to pay a wage increase.

Murray insisted that the union had done its part to halt inflation, adding that he is not certain the company can claim as good a record. He asserted that instead the corporation has piled "price increases" and thus help the upward trend of prices.

He also pointed out that "Big Steel's" proposed price cuts of \$25,000,000 represents slightly less than 1.2 per cent of the company's sales volume in 1947.

To Show Lower Profit

Statements of the United States Corp. will show a lower profit for the first quarter this year than for the first quarter of 1947, a record peacetime year.

Earnings for the first quarter of 1948 were not affected by the coal strike, as U. S. Steel kept production at the normal rate throughout March.

The steel concern's president pointed out that straight-time hourly earnings of steelworkers were \$3.9 cents in 1940. By 1948 wages had risen to \$1.45, an increase of 73.3 per cent. Steelworkers average hourly earnings by February 1948 were \$1.55 or 81.3 per cent above 1940.

Average Earnings

Actual average earnings of steelworkers advanced 91.7 per cent between 1940 and 1948, or from \$31.38 to \$60.14 a week, Fairless said.

He also listed some of the items that will be cut May 1, pointing out that they are items that hit close to the consumer. They include: Nails, wire fence, wire netting, steel fence posts, steel roofing, and siding sheets for building, barbed wire and other wire products; also a number of steel products which are converted by fabricators for use by home owners such as tin plate for cans, cold rolled strip for automobiles, stainless steel for refrigerators, stoves, kitchen cabinets, washing machines, sheets for furnaces, air-conditioning ducts, and heading equipment, galvanized sheets for silos, grain bins and other farm products.

Industry Surprised

Fairless said that more items will be added to the list and the exact amount of the price cuts revealed next week.

Whether the other steel companies, who usually follow "big steel" would do so this time was not immediately ascertainable.

The announcement evidently caught the rest of the industry by surprise and there was "no comment" down the line.

It also was not evident what effect the move would have on other industries and wage negotiations.

COURT SUSPENDS SECOND SENTENCE IN LEWIS CASE

(Continued from Page One)

ernment's suggestion is eminently proper. The court, as a citizen, is more than happy to know that a normal situation is being established very rapidly in the mines."

Goldborough on Wednesday fined Lewis personally \$20,000 and the union \$1,400,000 for criminal contempt. The defense has served notice of appeal.

STEAL REAR VIEW MIRRORS

E. Delehanty, Pontiac, Mich., reported to police the theft of rear view mirrors from cars parked at Bailey's station, Butler avenue, last night.

Rev. O. E. Phillips Opens Local Series

Rev. O. E. Phillips, of the Hebrew Fellowship of Philadelphia, opened his special series of meetings in the City Rescue Mission, 17 South Mercer street, Thursday evening, with a good audience on hand. Special music was provided by the Christian Business Men's Quartet, of Ellwood City.

The speaker's opening theme centered around pre historic ages in which he proved that there was existence on the earth before the Creation in Genesis which was really the recreation according to the speaker. He told his listeners that Holy writ should not be banned today in the schools as is being done in some places.

Tonight, Rev. Phillips speaks on the "Deluge" which is really the second deluge or flood on the earth. Saturday night, the theme

will be "The Midnight Cry." Sunday afternoon, "The Sun Went Down At Noon" and on Sunday evening, "Battle of Armageddon." All messages are illustrated with slides.

The little island of Yap is really four islands set close together.

The intrinsic value of a Victoria Cross, which is the highest award for valor in the British Empire, is less than ten cents.

The earliest bells were made of metal plates riveted together, according to the Encyclopedia Britannica.

RAINBOW ORDER INITIATES CLASS

With a number of parents who are members of the Eastern Star and Masonic Order in attendance, New Castle Assembly, Order of the Rainbow for Girls had their quarterly initiation service in The Cathedral, Wednesday evening, with Mother Advisor, Mrs. William C. Wheldon, and Worthy Advisor, Miss Donna Allen, presiding. Special music during the evening was in charge of Mrs. Clifford M. Propst, choir director, and Miss Lena Mae McConnell gave several lovely solo numbers. The Mother Advisor, Mrs. Wheldon, and District Deputy, Mrs. Agnes Allen, were presented with lovely bouquets. Plans were announced for the trip to Johnstown, on May 29, when the officers of the New Castle Assembly will assist with the institution of a new chapter of Rainbow in that city. It was also announced that a new chapter will be instituted in Beaver Falls, on May 22, when the Ellwood City Assembly officers will assist with the work. The next meeting of the assembly will be on May 5.

LESLIE-MCKIM BETROTHAL TOLD

Mr. and Mrs. A. W. Leslie of Enon Valley R. D. 1 announce the engagement of their daughter, Mary Alison Leslie, and Keith B. McKim, son of Mrs. Charles R. McKim of Wampum, and the late Mr. McKim. Miss Leslie is a graduate of Mount Jackson high school and Slippery Rock State Teachers college and is now a teacher in the Enon-Little Beaver school. Mr. McKim is a graduate of New Castle high school and the Robert Morris School of Business and is employed as an accountant by the Vulcan Crucible Steel company in West Aliquippa. The engagement will terminate in an early summer wedding.

Gold Star Mothers
American Gold Star Mothers, Inc., Lawrence county chapter No. 1, met in the American Legion Home Wednesday afternoon for their April meeting.

It was voted to give \$5 to the Cancer society drive. Mrs. Alice Jones was welcomed as a new member. Mrs. Esther Martin, president, and Mrs. Merritt Reynolds were elected delegates to the national convention scheduled to meet in Atlantic City June 1-5. Several members plan to attend. Next meeting will be May 19.

COUPLE TO OBSERVE 71ST ANNIVERSARY

Mr. and Mrs. Lewis E. Thompson, Butler county's oldest couple, will celebrate their seventy-first wedding anniversary on Saturday, April 24, with "open house" in the afternoon at their home. Mr. and Mrs. Thompson live near Muddy Creek church, Franklin township, Butler county. They have resided on the same farm for the past 64 years. Mrs. Thompson will be 92 years of age on June 18. Mr. Thompson was 91 years old January 30. Both of them are in good health. Mr. and Mrs. Thompson are the parents of three children, F. C. Thompson, Edensburg R. D. 1; A. C. Thompson, Slippery Rock, and Mrs. Maude Stoner, Detroit, Mich.

GARNER-GRIFFITHS MARRIAGE EVENT

Miss Berta Eugenia Garner, daughter of Mr. and Mrs. L. M. Garner, of Newport, North Carolina, and Edward R. Griffiths, son of Mr. and Mrs. Trevor Griffiths, of 732 Butler avenue, this city, were united in marriage in the Tabernacle Baptist church of New Berne, N. C., on April 18. Vows were exchanged in the presence of relatives and friends with Rev. J. L. Hodge officiating. The bride wore a street-length dress of powder blue with black accessories, a corsage of pink roses, and a single strand of pearls. She was attended by Miss Lucille Kirk, of Newport, and L. M. Garner, Jr., brother of the bride, served the groom as best man. Mrs. Griffiths was graduated from the Newport, N. C., consolidated high school and previous to her marriage was employed by the Morehead City Garment Company. Mr. Griffiths graduated from New Castle high school and served an enlistment in the U. S. Marine Corps. He is now employed by the Youngstown Sheet & Tube Company.

Mr. and Mrs. Griffiths left on a wedding trip to Washington, D. C., and continued on here where they are at home in their newly furnished apartment at 732 Butler avenue.

OPEN HOUSE TO BE ANNIVERSARY EVENT

As the medium for celebrating their 40th wedding anniversary, Mr. and Mrs. Charles E. Cornman, of New Wilmington, will hold open house at home on Thursday, April 29, from 7 to 10 o'clock in the evening for all relatives, friends and neighbors.

The occasion will observe the fortieth anniversary of the couple's marriage April 29, 1908 in McKeesport. For the past seven years they have lived in New Wilmington, having before that resided in the vicinity of Volant. Their four children are: Mrs. Kenneth Breneman (Mildred), of Grove City; Mrs. Walter Ryan (Edith), of R. D. 3; Charles Cornman, of New Wilmington R. D. 1; and Elmer Cornman, of West Middex R. D. 1.

Club 48 Meeting

Club 48 members met in the home of Mrs. Dan Chiarini, East Lutton street, Wednesday evening, with high score prize going to Mrs. Julia Gianni. Miss Bessie Recupio and Miss Connie Cupido were special guests. Next meeting will be May 12, in the home of Mrs. Vida Sforza, 109 East Home street.

JR. WOMAN'S CLUB ELECTIONS OFFICERS

Junior Woman's club met Thursday evening in the home of Mrs. Ralph Gibson, 512 East Leasure avenue, with Mrs. Russell Remaley as co-hostess.

During business, with Mrs. Remaley presiding, officers for the coming year were elected as follows: president, Mrs. J. Walter Green of New Wilmington; vice president, Mrs. Russell Remaley; recording secretary, Mrs. Frank Elliott; corresponding secretary, Mrs. Ernest L. Stutzinger, Jr.; and treasurer, Mrs. Thomas Hawkins.

Two Y. W. C. A. camperships for girls at the Margaret Henry Home were voted for the summer camp season and a number of constitutional changes and revision were voted upon recommendation of the executive board as read by Mrs. Remaley.

Named as a committee to secure a meeting place for the coming year were Mrs. William Olson, Mrs. Dale Clobus and Miss Caroline Rocks.

It was announced that the spring dinner will be an event of May 27 at the Tavern in New Wilmington. Four tables of contract bridge were in play after business and later a lunch was served from a table at which the newly elected president, Mrs. J. Walter Green, presided.

Next meeting will be May 13, the place to be announced.

REBEKAH CHAPTER PROGRAM AT CHURCH

Rebekah chapter of the First U. P. church met in the church parlor Tuesday evening with Mrs. Charles McNickle, Mrs. Arthur Keefe and Mrs. Wilbur King as hostesses.

Mrs. Jay White, retiring president, opened the business meeting, and at the conclusion of old business thanked the chapter for the splendid co-operation given her in the past two years, and turned the meeting over to Mrs. J. R. Leonard, newly elected president.

Devotions were conducted by Mrs. Margaret Hanna on the subject, "Christian Stewardship." Prayer was offered by Mrs. Floyd Lutz, Mrs. J. C. Gillfillan and Miss Jane Wallace.

Those taking part in the program were: Miss Matilda Miller, whose topic was "Stewardship of Money"; Mrs. R. F. Maxwell, whose subject was "Stewards of the Lord"; and Miss Dorothy Beckwith, who read "The Steward's Prayer," by Ralph Spalding Cushman.

Mrs. George Cribbs of Alliance, O., was an out-of-town guest. Prayer closed the meeting.

ITALIAN MOTHERS PLANNING BANQUET

At the Italian Mothers club meeting, Thursday evening in the green room of the Y. W. C. A., plans were made for a mothers-daughters banquet on Thursday, May 6.

Miss Mary Tabisz is the supervisor, and was present at the session. Hostesses who later served a dainty lunch were: Mrs. Joseph Ross and Mrs. Leo Vernini.

On May 6, hostesses for the occasion will be: Mrs. Pete Scarnati, Mrs. Edward Izzo, Mrs. Louis Nocera, Mrs. Gabriel Armundo, Mrs. Patsy Armundo and Mrs. Sam Vericelli.

Mademoiselle Club Meets

Games and 500 furnished entertainment for Mademoiselle club members in the home of Mrs. Edna Pezone, 519 East Lutton street, Wednesday evening. Prizes were won by Mrs. Rose George and Mrs. Betty Pezone, and an appropriately decorated cake honored the 10th wedding anniversary of the latter. Miss Nell Bosc of Long Beach, Calif., was an out-of-town guest. Next meeting will be May 6, in the home of Mrs. Violet Sansosti, 517 East Moody avenue.

EVERYBODY'S PROBLEM

He was talking to a group of industrialists, so Senator of Connecticut may be pardoned for concentrating his fire when he told the American Brush Manufacturers Association that "unless business policies itself" Congress may again be asked to "limit profits." All the same, there are other targets within range.

As far as he went, Senator Baldwin talked sense. It is true, as he said, that "in spite of all we hear today about defense and international relations, the most serious problem of the American people is still the question of high prices and inflation." Therefore it follows that "management has a responsibility to restrain itself from taking advantage of present conditions in order to help stabilize our economy."

So his warning should be heard. He continued: "If by poor management of our foreign air program, or if by lack of proper attention to the threat of inflation we create shortages that drive prices even higher, we can expect cutbacks in production and resultant unemployment. The ensuing downward trend would mean the end of our present high hopes for continued prosperity and peace."

But industry and business cannot do the whole job. Scolding industry and business, now the accepted technique in political circles, because these elements casts a minority of the votes, can be of no avail. Other groups in the nation's economy must help.

Farmers cannot be expected to sell their products under market prices, but they do have an obligation to keep output at high levels. Labor may be entitled to wage adjustments, but it should be reasonable in its demands, recognizing that increases not justified by increased production only result in increased prices. Consumers ought to watch their spending—and save if they possibly can.

New strains are being placed on an economy already heavily taxed. Unless everyone does his part to keep them to a minimum, the laboring machine may break down. This is everybody's problem.

PLANES ON CASTERS

One of the basic limitations of the airplane has been that it must land or take off directly or almost directly into the wind. That is the way birds always fly to a perch or leave one—thereby getting the best support and control at slow speeds. But airplanes, unlike birds, are limited to narrow paths for landings or takeoffs.

If a strip has a strong crosswind, a plane using it takes a chance. Most airfields have two or more strips laid out in different directions to take advantage of prevailing winds. Such a layout requires a great deal of space. Ground between the spokes is waste land except for such facilities as may be fitted in. Up to now this waste has seemed necessary for safety.

For years some good brains have been trying to work out means of having a single strip do for all winds. The goal has been to devise landing gear permitting the plane to face closer to the wind than the strip points. A plane that could turn its face 45 degrees away from the direction its wheels were taking it would be able to take off in a 90-degree crosswind.

Now the trick seems to be an accomplishment. The "caster undercarriage" developed by several air firms seems to be a success. At Washington several days ago a Beechcraft, a Bellanca and a DC-3, each using a different type of gear to achieve the same purpose, went crab-fashion along the strip for takeoffs and landings.

It means much that even large transports like DC-3s can be fitted with such gear. Eventually airfields can be smaller and closer to cities. They will be cheaper to construct. Cities that cannot afford present-day landing fields will have landing strips. Air traffic will increase. The aviation industry has been given a needed boost.

THAT REVOLT IN COLOMBIA

The unexpected revolution in Colombia seems to have ended almost as suddenly as it started. As investigation continues it becomes apparent that the revolt either was planned by the Communists or they were quick to take advantage of the assassination of a popular politician. Even in the latter event it is apparent that the Reds were organized for revolt at the first opportunity, and it is significant that uprisings had been planned in other South American countries to take place at about the same time.

No matter what the immediate objective of the Communists was in promoting the outbreak at the particular time, it is apparent that they overreached themselves. Colombia may join Chile in breaking off relations with Moscow, and the feeling of other South American republics toward Russia will become colder.

Many believe that the Reds sought to discredit the Pan-American Congress, either by breaking it up or giving the newspapers headlines which would distract attention from the conference. Others think the immediate objective was to influence the Italian campaign in favor of the Communists. If the revolt had been more successful the Reds in Italy would have maintained that their country could not expect any aid from the Western Hemisphere because that region was already divided into warring camps; that aid could only be gained from Soviet Russia.

No matter what the objective was, it is now apparent that the Communists didn't succeed in their aims if these were in any way far-reaching. In fact, the reaction seems decidedly against them.

In View Of News Of The World

By J. C. Oestreicher, INS Foreign Director

An intensified Communist political drive in Austria and Greece was anticipated in many quarters today as an inevitable result of the Italian elections.

Moscow may take some time before issuing full and vitriolic comment on communism's defeat in Italy.

But there is no question that Communist political agitators regard this setback with a great deal of misgiving and it will be entirely in character for the Kremlin to turn its heaviest political guns upon another likely target.

The Communists may not have expected to win anything like a commanding majority in Italy.

But they certainly did not anticipate the defeat that occurred—a defeat that promises to change the whole labor and trade union situation in Italy and to give a mighty spur to capitalists and industrialists who for months have been reeling in their operations by strikes and sabotage, plus continual threats of worse to come.

With the Italian debacle so close in their memory, the Communists are not going to take any chances in their next venture.

They found that they overreached themselves in the flush of their Czechoslovak victory and may be expected to proceed with extreme caution in the future.

Thus any tremendous upsurge in their agitation is not looked for immediately in France or Germany, or even in the Scandinavian nations which a few weeks ago were building their defenses and looking askance at the iron curtain.

Look For Move In Greece

A step-up in Communist measures in Greece seems far more probable.

But the Greeks, aided by United States money, military assistance and sound advice, are in a fighting mood. The regular army operating in the hills against guerrilla forces today is far more expert and far better equipped than it was a year ago.

Observers in Athens are inclined to believe that if the Communists attempt a real showdown now, they would incur another defeat which would be doubly distasteful to the Kremlin because

it would be of a military as well as a political nature.

Which leaves Austria seemingly more or less at Russia's mercy should Moscow push the Vienna button for the next step.

Austria is powerless and poor. She has no army and all her industrial wealth sits in a tiny "island" surrounded by Russian forces.

The Soviets, it might be noted, have shown a most unbecoming attitude during the last few weeks with regard to reparations from Austria and other postwar settlements. They may be preparing overtures.

But the Austrian people are a determined little band and their present government is a courageous one. The queen queen of the Danube might not prove too easy after all.

So say two psychiatrists of the University of California medical school in the Journal of the American Medical Association, and they blame most of our present-day chronic diseases—from which, by the way, some 25 million Americans are suffering—on the stress and strain of modern living.

The trouble, according to the two authors, is that too many people lack "adaptive behavior" and cannot adjust satisfactorily to social changes.

One of the frequent causes of ulcers of the stomach is "keeping up with the Joneses."

Persons in the lower middle classes (whatever that means) too often are social climbers and worry so much about achieving success in that effort that they develop ulcers.

Hysterical women who love themselves more than their husbands are quite apt to become invalids, and self-love in women leads to a high divorce rate.

According to the two doctors, the youngest child in a family is subject to chronic illness more often than the older one.

Please remember, I am quoting all this, and no money will be refunded if you don't like the statements of the two experts.

"It is known," they state, "that people with chronic disease and psychologic invalidity have many characteristics of the middle class. They are conformists and their repressive tendencies are great. They have difficulty in expressing anger and managing tension."

"The lower middle class, with its tendency toward complacency, is more glib and tends to accept value, which features obviously handicap behavior."

But here is something that may comfort you—if you have any of the above symptoms.

If you do, it shows that you are more intelligent than the average. Personally, however, I prefer to be stupid and not have ulcers or chronic diseases than to be a highly intelligent invalid.

By the way, speaking of intelligence, it has been definitely established that people who do a lot of intellectual work are subject to baldness more frequently than their less intelligent fellow citizens.

Which reminds me of a recent item in one of Walter Winchell's columns.

Isn't it lucky, he said, that your hair falls out by itself and that the falling out is entirely painless? Imagining that each was a tooth and had to be pulled out because it ached!

I don't know whether social climbing really causes ulcers. But I do know that social climbers are about the most ridiculous specimens of any community.

I wish they would remember that a frog in any puddle, big or small, is still a frog.

First settlement in Delaware was made by the Dutch in 1631.

It would be of a military as well as a political nature.

Which leaves Austria seemingly more or less at Russia's mercy should Moscow push the Vienna button for the next step.

Austria is powerless and poor. She has no army and all her industrial wealth sits in a tiny "island" surrounded by Russian forces.

The Soviets, it might be noted, have shown a most unbecoming attitude during the last few weeks with regard to reparations from Austria and other postwar settlements. They may be preparing overtures.

But the Austrian people are a determined little band and their present government is a courageous one. The queen queen of the Danube might not prove too easy after all.

So say two psychiatrists of the University of California medical school in the Journal of the American Medical Association, and they blame most of our present-day chronic diseases—from which, by the way, some 25 million Americans are suffering—on the stress and strain of modern living.

The trouble, according to the two authors, is that too many people lack "adaptive behavior" and cannot adjust satisfactorily to social changes.

One of the frequent causes of ulcers of the stomach is "keeping up with the Joneses."

Persons in the lower middle classes (whatever that means) too often are social climbers and worry so much about achieving success in that effort that they develop ulcers.

Hysterical women who love themselves more than their husbands are quite apt to become invalids, and self-love in women leads to a high divorce rate.

According to the two doctors, the youngest child in a family is subject to chronic illness more often than the older one.

Please remember, I am quoting all this, and no money will be refunded if you don't like the statements of the two experts.

"It is known," they state, "that people with chronic disease and psychologic invalidity have many characteristics of the middle class. They are conformists and their repressive tendencies are great. They have difficulty in expressing anger and managing tension."

"The lower middle class, with its tendency toward complacency, is more glib and tends to accept value, which features obviously handicap behavior."

But here is something that may comfort you—if you have any of the above symptoms.

If you do, it shows that you are more intelligent than the average. Personally, however, I prefer to be stupid and not have ulcers or chronic diseases than to be a highly intelligent invalid.

By the way, speaking of intelligence, it has been definitely established that people who do a lot of intellectual work are subject to baldness more frequently than their less intelligent fellow citizens.

Which reminds me of a recent item in one of Walter Winchell's columns.

Isn't it lucky, he said, that your hair falls out by itself and that the falling out is entirely painless? Imagining that each was a tooth and had to be pulled out because it ached!

I don't know whether social climbing really causes ulcers. But I do know that social climbers are about the most ridiculous specimens of any community.

I wish they would remember that a frog in any puddle, big or small, is still a frog.

First settlement in Delaware was made by the Dutch in 1631.

It would be of a military as well as a political nature.

Which leaves Austria seemingly more or less at Russia's mercy should Moscow push the Vienna button for the next step.

Austria is powerless and poor. She has no army and all her industrial wealth sits in a tiny "island" surrounded by Russian forces.

The Soviets, it might be noted, have shown a most unbecoming attitude during the last few weeks with regard to reparations from Austria and other postwar settlements. They may be preparing overtures.

But the Austrian people are a determined little band and their present government is a courageous one. The queen queen of the Danube might not prove too easy after all.

So say two psychiatrists of the University of California medical school in the Journal of the American Medical Association, and they blame most of our present-day chronic diseases—from which, by the way, some 25 million Americans are suffering—on the stress and strain of modern living.

The trouble, according to the two authors, is that too many people lack "adaptive behavior" and cannot adjust satisfactorily to social changes.

Hysterical women who love themselves more than their husbands are quite apt to become invalids, and self-love in women leads to a high divorce rate.

According to the two doctors, the youngest child in a family is subject to chronic illness more often than the older one.

"Digging Resumed"

Washington Calling

(By Marquis Childs)

Wallace Is Political Enigma

NEW YORK, April 23.—Henry Wallace has his campaign headquarters in the last surviving mansion of the days of spacious wealth on lower Park avenue. Because Wallace is the No. 1 political enigma of our day, this brownstone fortress—it is said to be bullet-proof—is the focus of the hopes and the fears of millions of Americans.

Wallace's private office is in what was once a smallish bedroom on the second floor of the old mansion. At the windows back of his desk are brick-red draperies. He sits facing a marble fireplace. Over the fireplace is a print of Grant Wood's portrait of his mother, an angular woman painted against an expanse of middle western sky.

Both Wallace and the portrait look out of place in this environment, with the thunder of traffic just outside. He sits hunched down in his chair, the familiar look of inwardness, of self-contemplation, on his face.

It is hard to realize that for some this man is saint, endowed with all the virtues, and for others devil, prophet of evil, determined to destroy the good, the safe, the secure. What impresses the Washington visitor, seeing Wallace in this new setting, is how little he has changed since the old days.

Outwardly, yes. His hair is nearly white. The wrinkles around his eyes have deepened. He has gained weight.

Looks The Same

But in spite of these changes, he even looks the same. His carelessly tied necktie goes off in different directions. His shirt, with

one button missing, bulges out over his belt.

He talks exactly as he talked when he was vice president and when he was secretary of commerce—the same slow formulation of ideas and sentiments, painted generously with a broad sweep.

The same homely expressions come into his talk. He refers to what "the folks out west" are thinking. (Or what he thinks they're thinking.) He speaks of members of his family as "sister Mary" and "brother John."

Questions and issues that annoy or disturb him he brushes aside, as a hard-working man would brush away a gnat buzzing around him. The influence of the communists on his campaign, the intentions of Russia in the world, these are extraneous to the stream of his talk, which starts and stops and starts again.

Wallace Is A Symbol

Above all, Wallace is a symbol. To the clever men around him who are directing his campaign for the presidency, he is an extremely useful.

The question that arises is to what degree he lends himself—consciously and deliberately—to their purpose. To put it another way, how much of him is calculating politician and how much is honest idealist, unconcerned with clever shifts in strategy?

That is a question always with any man of vaulting ambition. But with Wallace it is the heart of the enigma.

While he gets a lot of assistance from the able, determined men around him, it is clear that Wallace is a shrewder and more calculating politician than he appears to be on the surface. Dwight McDonald, who made a thorough study of Wallace's writings and speeches before writing a book on the third-party candidate, found that he had said almost everything on every side of every question since he came into prominence in 1935 as secretary of agriculture in the New Deal.

Expediency counts for much more than is at first apparent. Something like a shift in strategy seems to be taking place now.

In his new book, "Toward World (Continued on Page Seven)

Expediency counts for much more than is at first apparent. Something like a shift in strategy seems to be taking place now.

Smacks Of Soviet Frameup

By PAUL GALLICO

Now I wonder what kind of a sweet little girl this Cecilia Nelson, the American girl, born in Newberry, Michigan, who turned in her boss, Robert Magidoff, the American N. B. C. correspondent, to Ivestia, as one who was spying on the Soviet Government for an American espionage service. She must really be a darling girl to be able to sell out her country and her employer with one and the same gesture, and I am sure that the town of Newberry will wish in some suitable manner to signify its appreciation of being the birthplace of this dear little Mata Hari.

Came Across Correspondence

If you read the papers you will have come across the story of how this dream girl, an American citizen, educated in Massachusetts and for two years a student at Lowell Teachers College, was going through the papers of her boss, Robert Magidoff, Russian-born American citizen, who was acting as correspondent for the National Broadcasting Company and the McGraw-Hill Publications in this country, and came across some correspondence which led her to believe that in addition to his regular duties he was also carrying on some intelligence work for the U. S. A.

What took place inside this fine American girl at this discovery? Did she thrill to the realization that her employer, stationed in the most dangerous spot in all Europe, smack in the stronghold of the Red Terror, was risking his skin to serve the U. S. A.? Did she hastily conceal the damaging documents so that no harm should befall him? Not this pet.

Sent Letter To Ivestia

She set herself down and quickly typed out a letter to Ivestia, preaching on Magidoff because—"... when I read all these letters (the so-called incriminating documents) it became clear to me... the capitalists are hatching a new war and Magidoff's collection of intelligence data about the U. S. S. R. is undoubtedly a part of the dirty work. All this made me cast aside the conventions in which I was brought up and induced me to make a statement about the real Moscow activities of American Correspondent Magidoff..."

Smacks Of Soviet Frameup

Now everything about this yearn smacks of the old Soviet frame-up. Our heroine tells that when she went to the office to find a letter she needed, she inadvertently came upon this series of letters and incriminating documents which led her to believe that her employer was spying on that dreamy Soviet Union.

Anybody with a grain of common sense knows that no intelligence service would type out a letter, in effect, saying, "Dear Spy: Your plans of the new Russian tank received and thank you very much. Please arrange to sleep under Stalin's bed tonight and find out what's cooking. We are particularly interested in whether he's got the atom bomb and if so what he means to do with it, and when and where."

Anybody That Dumb?

And, if anybody was that dumb, no spy in his right mind would leave such correspondence kicking around on his desk. It just doesn't add up, and the proof that it doesn't is that the Russians, instead of lining Magidoff up against a wall and ventilating him, politely requested him to leave Moscow within two or three days. So you can see that it is the phony bolonus, probably cooked up for propaganda purposes and to counteract the number of genuine Communist and Soviet spies we are collaring over here and preparing to pitch all the way back to Russia.

Either she lent herself to a Soviet frame-up, or, really believing that her employer was engaged in espionage for the U. S. A., was eager to turn him in to a possible firing squad, and at the same time she shut off a pipe line that might prove invaluable to her own country.

Well, I suppose in a way, this little harpy also serves. For her case points up with startling clarity the fact that ANYONE who plays footie with the Communists is a potential traitor to and seller-out of his or her country. If you love those Russians, it seems you have to hate the U. S. A.

(Distributed by McNaught Syndicate, Inc.)

They Say

ROME—Premier Alcide de Gasperi of Italy. "I will consider Communist participation in the new government only if the Communists disavowed allegiance to a foreign power, give up their arms and support the Marshall plan..."

LONDON—Winston Churchill, Britain's wartime prime minister. "There can be no hope for the world unless the people of Europe unite to preserve their freedom, culture and civilization..."

NEW YORK—Lieut. Gen. James H. Doolittle. "Sometime in the future it may be possible for rocket aircraft to fly from New York to Europe in an hour."

ATLANTIC CITY, N. J.—Henry A. Wallace, third party presidential aspirant. "The third party is here to stay... no deals will be made and we wouldn't take money if it was offered..."

Cost Is Increased

Coal has been controlled by the government for a considerable period. Theoretically, socialization of the mines should have made it more abundant and cheaper. No, it is not the way it happens, for the cost of coal has been increased because the government in operating the mines, has added a small army of employees to supervise the coal industry, not only adding to operating costs, but lessening efficiency. Thus one experiment in socialization adds to the cost of another experiment.

In the face of history and experience it seems that the British people are subscribing to the delusion that somehow, by some sort of miracle, "the government" can do things better than the individual. This has been disproved within a few years in the case of coal, rail transportation and banking. Now fresh proof is about to be offered—the nationalization of electric utilities.

As one of the original exponents of free enterprise and individualism Great Britain should know the folly of Socialism or collectivism as applied to industry and business. The era of Britain's greatness in commerce was the era of daring private initiative. There is something tragic in observing the gullibility of the British masses in following the delusion which their own history so strikingly proves.

California leads all states in developed water power.

Film On Colombia Will Be Shown At Methodist Church

Timely Picture, 'Neighbor Colombia,' Will Be Shown By Pan American Official Sunday

A highly educational film, "Neighbor Colombia," will be shown by Lyman Judson, A.B., M.S., Ph.D., chief, visual education section of the Pan American Union, Sunday evening, April 25, at 7:30 o'clock in First Methodist church, North Jefferson street.

Assisting Mr. Judson will be his wife, Ellen Judson, B.S., M.A., member of the National Education Association, American Association of University Women and numerous other organizations. The couple left Washington, D. C., last December and are concluding a four-month tour of the United States showing the interesting film in principal cities.

The picture itself, filmed by Mr. and Mrs. Judson, is a fascinating story of the northernmost republic of South America. It takes the audience on a trip through the main cities of the country and through the jungles and other places of interest. A visit is made to Popayan, Cauca, where Rev. and Mrs. Frederick A. Smith, local missionaries are staying since the arrival of twins to the couple on April 4.

The 75-minute color, sound film, is shown through the courtesy of the Pan American Union. No admission is charged, but a free will offering is lifted.

Secretary D. Emmert Brumbaugh announced plans to liquidate an unidentified finance company found guilty of "violating the anti-gyp law almost in its entirety."

The firm, which he would only say was located in northern Pennsylvania, was the first to face penalties under the act of 1947 which regulates interest rates, insurance provisions and other items involving financed sales of vehicles.

Brumbaugh said the firm's books are being audited. The case will be turned over to the district attorney of the county in which the violator is located and if officials of the firm are found guilty of criminal action, fines or prison sentences could be imposed.

Brumbaugh issued a warning to other finance firms and automobile dealers that his department would not tolerate gyp operations and that the law will be enforced.

According to the 1930 census, Clark county, Idaho, had a population of 1,122, or less than one person to each square mile.

EXCLUSIVE DISTRIBUTOR FRANCHISE AVAILABLE
We are ready to appoint an exclusive distributor for our product in this area with aggressive individuals, financially responsible with or without present warehouse and sales organization, or established companies.

Our product is purchased and used again and again by car and home owners, both urban and rural... now selling in most of the metropolitan centers... by big name department stores... hardware, paint, drug, auto accessory, farm implement retailers and chain syndicates. A turnover product advertised in newspapers of local and national circulation. Distributors receive splendid advertising and sales cooperation that builds profitable business.

Write for details and personal interview with company representative. Box 574, care of News.

PLANTS ON MARS
LONDON—Plant life undoubtedly exists on the planet Mars, according to Soviet astronomer Grigori Tikhov. The Moscow radio broadcast of the recent Tass (Soviet News Agency) report announcing the discovery was monitored in London. Tikhov said observations on the changes of the planet's color had given evidence of large tracts covered with evergreen plants fed by snow from the polar zones.

LIGHT BICYCLE
NEW YORK—A "New Look" in bicycles has come to America from Britain. It's a machine so light that you can lift it with two fingers. Designed specially for the American market, Britain's new super-lightweight bicycle weighs only 25 pounds, 14 ounces. It is 21 pounds lighter than the average American bicycle, and eight pounds lighter than British bicycles on the home market.

FATHERS AND SONS DINE AT EPWORTH

Fathers and sons of the Epworth Methodist church met in the church Thursday night, April 22, when the annual fathers and sons dinner was enjoyed. About 125 were present for what turned out to be an evening of fine fellowship.

The dinner was sponsored by the Men's Bible class with William Richardson, president, in charge as chairman of the evening. Rev. George R. D. Braun, pastor of the church, offered the invocation following the singing of "America".

Rev. Arch Hilliard of Erie, who is in charge of the permanent fund of the Erie Conference of the church, was the principal speaker and was enjoyed by the crowd.

For a time Rev. Hilliard reminisced of his boyhood days in Forest county when oil lights and no central heating featured homes. His description of the comparatively primitive conditions of those days interested the younger men of the crowd and brought back memories to the older ones. There was nothing stuffy about Rev. Hilliard's address. It was one ideally suited to the occasion.

George T. Richards gave the toast to the fathers. Other speakers were Rev. Braun and H. Lee Marvin, the teacher of the Men's Bible class. Pep singing was directed by Laurence Hogue, with Mrs. Mabel Davis accompanying. Bart Richards was toastmaster.

Concluding the program Rev. Braun showed motion pictures of some of the old-time automobile races on the Indianapolis Speedway.

QUIET CEREMONY IN ENON PARSONAGE

At a double ring ceremony solemnized quietly by Rev. Robert Dyke in his home on the Darlington-East Palestine road, Miss Marguerite E. Strohecker, daughter of Mr. and Mrs. H. E. Strohecker of Enon Valley, became the bride of Leroy Harriger, Jr., son of Mr. and Mrs. Leroy Harriger of Enon Valley R. D. 2, on April 16 at 3:30 o'clock in the afternoon.

Their only attendants were Miss Evelyn Maxwell and Oscar Paden. After a reception for the immediate families at the home of the bride's parents following the ceremony, the newlyweds left for Washington, D. C.

Upon their return they will take up residence in Cleveland, O., where Mr. Harriger is employed by the U. S. Department of Agriculture.

OPTI-MRS. ELECTION MEETING SCHEDULED

Annual meeting of the Opti-Mrs. will take place Thursday evening, May 6, in the home of the president, Mrs. Otto Pearsall, 236 Edgewood avenue.

At 8:45 Miss Viennabelle Prioletti will play several piano selections after which there will be election of officers for the coming year and a final business meeting to wind up business for the year.

Teachers' Spring Party
Union Township teachers with their supervising principal, J. Arthur Turek, enjoyed their annual spring dinner party on a recent evening at a Grove City hotel.

A delicious dinner was served at 7 o'clock in the private dining room with the tables gay with flowers and favors made by the art classes under the supervision of Mrs. M. Roskos. Later hours were spent in the recreation room where gridiron bridge was the chief attraction. Trophies were awarded Mrs. E. Smith, Miss Grace Jones, Howard Fox and R. H. Shields.

Success of the party is due to the untiring efforts of the committee composed of Mrs. Howard Fox, general chairman; Mrs. John King, entertainment; and Mrs. John Carr, reservations.

CLUB HOSTESS IS TENDERED HONOR

Mrs. Domenick Maciarella of Huey street received the Busy Fingers club Thursday evening in her home.

Mrs. Phil Colella captured the contest prize and Mrs. Jennie Navarra received the door trophy. The hostess, Mrs. Maciarella, will observe her silver anniversary on Monday, April 26, and she was honored by the presentation of a silver rosary, a silver dollar of the year of her marriage, a shoulder corsage and a hankie shower, all from the club members.

At a later hour a delicious lunch was served by the hostess, with a cake centering the table. She was aided by her daughter, Donna, in serving. Special guest was little Deanna Christoffer.

Thursday, May 6, is the meeting with Mrs. Jennie Venditto, of Division street.

MADONNA CHURCH SCENE OF WEDDING

Madonna church was the scene of the wedding on April 17 of Miss Irene Zombek, daughter of Mrs. J. Zombek of 3 Maple street, and Philip Milone, son of Mr. and Mrs. Caesar Milone of 106 East Reynolds street, at 9:30 a. m. Rev. Edward Pikulik officiated at the double ring ceremony. Flowers and palms banked the altar.

The bride wore a white satin wedding gown, en train and off-the-shoulder style, with a fingertip veil falling from a beaded sweetheart crown and carried a bouquet of calla lilies centered with an orchid. Her only jewelry was a gold cross, gift of the groom.

Miss Sophia Zombek as maid of honor wore a gown of yellow tulle similar in style to the bride's with a matching headdress and she carried Talisman roses. Bridesmaids, the Misses Clara Zombek and Dorothy Stackiewicz, wore gowns of aqua and orchid tulle respectively and carried yellow roses. Miss Bunnie Kielar was her cousin's flower girl.

Raymond Columonti of Youngstown, O., served as best man and ushers were Patsy Amabile and Benny Milone.

A wedding breakfast and dinner were served in the church basement followed by a reception in the K. Pulaski hall on Elmwood street.

The couple left on a honeymoon to an undisclosed destination and upon their return will be at home to friends in their furnished apartment at 1013 Winslow avenue. Both Mr. and Mrs. Milone are employed at the Johnson Bronze company.

ROUND-UP CLUB HAS BUM'S NIGHT

Round-Up club members enjoyed a bum's night event Thursday evening at the club rooms, held in the form of a tureen.

After the meal, an informal contest and card period was held with Mrs. Paul Lombardo receiving the card prize. Ping pong and other games were featured.

In charge of the party were the following committee members: Mrs. William Russo, Mrs. A. J. Capozio, Mrs. Nick Tuscano, Mrs. Louis Ross, Mrs. Frank Ross, Mrs. Thomas Maciarella, Mrs. Anthony Bullano, Mrs. Anthony Scopia, Mrs. John George, Mrs. Clotilda Ross, Mrs. James Copple and Mrs. Paul Lombardo.

May 6 is the next meeting, Mrs. Lou Colella in charge.

Campbell-Green

Presbyterian church of Cambridge Springs was the scene of the wedding of Miss Geraldine Mae Campbell, daughter of Mr. and Mrs. Edgar Campbell, of 230 Thomas street, Cambridge Springs, former residents of New Castle, and Donald Harry Green, son of Mr. and Mrs. Fred T. Green, of Cambridge Springs R. D. 2, on April 10 at 3:30 o'clock in the afternoon. Rev. James Regester officiated.

The bride was attended by Miss Louise Zook, of Wooster, O., as maid of honor and bridesmaids were Mrs. Jerred Shaffer, Jr., and Mrs. John Clegg and Miss Norene Campbell, of this city was flower girl for her cousin.

Fred T. Green, Jr., served his brother as best man, and ushers were Edgar Campbell, Jr., and Paul Campbell.

A reception in the church parlors followed the ceremony.

Both Mr. and Mrs. Green are graduates of Cambridge Springs high school. She is employed in the General Electric office and he is associated with his father in farming.

Busy Dozen Members Sew
Members of the Busy Dozen club were entertained in the home of Mrs. Domenick Sylvester, East Brook road, with needlework as the main pastime. Door prize was won by Mrs. James Pascarella and Mrs. David DeSalvo.

In serving lunch the hostess was aided by Mrs. George Farone.

Next meeting will be May 5, in the home of Mrs. Rocco Germani, 1111 Beatty avenue.

Ace High Club
Ace High club met Wednesday afternoon in the Elks home for 500 with high score awards going to Miss Mary Mulachy, Mrs. A. H. Casey and Mrs. Anna Mary Jones.

The club will meet again next Wednesday at the club.

Rebekah Lodge to Install
Rachel Rebekah lodge, No. 40, will have formal installation of officers Monday evening at eight o'clock in the I. O. O. F. hall with installation ceremonies to be in charge of Mrs. Martha Fox, district deputy president, and staff.

Pantherette Club
Pantherette club tureen dinner scheduled for Tuesday, April 27, has been postponed until Tuesday, May 11, due to the death of a relative of members. The dinner will be in the South Mill street club rooms.

Goal Of Wallace's Party Is To Wreck Two Party System

So Declares State Secretary Of
Labor And Industry In
Reading Address

READING, Pa., April 23.—(INS)—The ultimate goal of Henry Wallace's third party is not to elect him President but to "wreck the two party system in America," according to State Labor and Industry Secretary William H. Chestnut. He told the United Brotherhood of Carpenters and Joiners of America meeting at Reading last night that the third party plans to accomplish its purpose by disorganizing the Democratic party. "Their goal is not 1948 — but 1952," he asserted. "In 1952, unless they are stopped, this evil and sinister band will be a powerful voice in the political councils of America."

Leadership of the Democratic and Republican parties must "awaken to reality" and "eradicate conditions" which spawned the movement, he said.

"Behind the third party movement for which this man Wallace is a mere front are a group of the most vicious men and women at large today," Chestnut declared.

WASHINGTON CALLING

(Continued from Page Four)

Peace". Wallace criticizes some things about Soviet Russia. He did the same at the \$100-a-plate fund-raising dinner here when he stressed the importance of a middle way between Communism and Fascism. This is distinctly a new tact. It contrasts sharply with Wallace's refusal during the past two years to voice any criticism of Russia or even to listen to criticism.

He says what he has said often before—that he is in the race to stop. The nomination of Justice William O. Douglas or General Eisenhower instead of President Truman would make no difference because, as he puts it, the Democratic party is committed to war.

Soon he will leave to speak in Iowa and Kansas. Next month he will make a strenuous tour of the west coast. Wallace, the dedicated man, the symbol, the shrewd politician, is on his way.

Health Talks

By DR. W. A. WOMER
City Health Superintendent

UNCLE JOE & AUNT KATE. During the last fifty years our span of life has been lengthened considerably. We have more old people than formerly. We will have more old people than we have now. We have done pretty good work on the diseases of childhood. We have not succeeded so well on the care of the aged. We hear a lot of talk about the employment of handicapped persons. A person may be handicapped by age too. Cities are interested in providing play grounds and recreation for the young but not so much for the old. Old people are valuable members of the community. Their services are not utilized as they should be. They need employment and recreation just as much as young people do but of a different kind. It will be a hard job to solve the problem.

A cat usually falls on its feet because of an extra-fine sense of balance and quick reaction when falling. Back of this ability of modern cats is undoubtedly a long history of adaptation of its forbears for agility.

Jewish Forces Consolidate Hold On Haifa

JERUSALEM, April 23.—(INS)—Jewish sappers carried out large-scale demolitions today inside Arab strongpoints around Jerusalem in an effort to strengthen control of areas near the Holy City.

Attacks were made against Arab positions in the Jerusalem hillside district as Jewish militiamen in the north consolidated their hold on the port city of Haifa following a mass exodus of Arabs who fled under assault.

The demolitions were carried out in the villages of Beitksa, Nebisamwil and Shafat after the sappers succeeded in penetrating the Arab strongpoints.

Arabs in these villages were said to have used them as bases for attacks on the adjacent Jewish settlements of Neve Yacov, Ataroth and others.

Events at Haifa yesterday during which the Jewish Haganah forces seized vital parts of the city in a swift drive which caught the Arabs by surprise caused considerable uneasiness among Arabs in the Jerusalem area.

Would Bar Red And Green From Signs At Night

Safety Conference Makes Suggestion On Use Of Standard Traffic Colors

DALLAS, Tex., April 23.—The standard traffic colors of red and green would be eliminated from electric and other night signs if the committee on engineering of the governor's highway safety conference wins approval of the legislature.

Gov. Beauford H. Jester has established several committees in Texas, each working on problems relating to traffic control and safety. The committees met here and compared notes.

Safer Driving
The committee on engineering, one of the most important, offered several recommendations which it said would promote safer driving and thereby save lives.

"It is recommended," the committee said, "that in its long-range plans the State Highway commission make a study of outdoor advertising along highways with a view to the removal of the limitation of any and all features of same that in its opinion create or contribute to any traffic hazards detrimental to the safety of the traveling public."

"In conjunction with the municipalities, it is suggested that steps be taken looking toward the future elimination from electric and other night signs of the standard traffic colors of red and green."

The Tennessee Valley Authority has constructed 26 dams across the Tennessee river and its tributaries.

U. S. Spending—Up

U. S. SPENDING is going up, say government fiscal experts. They expect to close the books June 30 with a \$4,000,000,000 surplus, the last in a long time. The picture chart above indicates how spending is expected to rise in 1949, 1950 and 1951. Some reasons: Air Force expansion from 55 to 70 groups, expected passage of UMT, and a national resources program in 1949. (International)

Excessive Rains Lessen Danger Of Forest Fires

HARRISBURG, April 23.—(INS)—Last week's excessive rains probably delayed Pennsylvania's forest fire season, it was reported today by Ben O. Gipple, director of the Forests Bureau.

"The rainy season was helpful because things were getting pretty dry in the woods," he reported, "and the weather was enticing people into the outdoors."

Nine out of 10 fires in the state were caused by "negligence or carelessness of human beings," Gipple asserted.

"The first week end that people can get into the country and woods will mark again the beginning of the danger period," he added.

Pennsylvania has experienced no forest blazes of "considerable size or extensive forest damages" this year, according to Gipple.

Good Taste

By FRANCES MARREL

INFORMAL WEDDING

"(1) Is it proper for a girl when being married in a suit to walk down the aisle with her father? There will be a maid-of-honor and best man. Or should she merely enter through a side door with her father, the same as the groom, and go right to the altar?" (2) If the wedding is held with only the immediate families present, is it proper to send out engraved invitation to a reception, to be held at a relative's home, to friends and relatives? If not, should it be made known when the forthcoming marriage is announced that an open house reception will be held? (3) How much should be paid to the minister, organist and singer? (4) Is it necessary to have ushers when the wedding party is so small and the bride does not wear a bridal gown? (5) Is an invitation mailed to the minister, or is he invited in person when the church arrangements are made? (6) When are the minister, organist and singer paid?"

Answer: (1) It is entirely proper and advisable for the bride to walk up the aisle with her father even though she will dress informally and have only two attendants.

(2) Send informal notes of invitation, since you will dress informally. Were you to dress formally in traditional bridal attire, you should then send out formal reception invitations.

(3) The organist and the soloist usually have a specified fee, the amount of which you should inquire. The clergyman should receive upward of five dollars, depending upon the financial circumstances of the groom.

(4) Ushers are optional in a small informal wedding.

(5) Send a written invitation to the minister and his wife.

(6) The bride should give the organist and the soloist their fees when she makes arrangements with them for her wedding or when she sees them at her rehearsal. The best man must pay the clergyman's fee (given to him by the groom) sealed in an envelope before the ceremony.

Three Senators Seek To Chop 200 Million Off Fund

Attack Appropriations For Rivers, Harbors and Flood Control Work

WASHINGTON, April 23.—(INS)—Three leading Republican senators promised today an all-out fight to chop 200 million dollars from the 641-million-dollar bill for rivers, harbors and flood control work in fiscal 1949.

The senators—Bridges (R) N. H., Reed (R) Kas., and Ferguson (R) Mich.—form a three-man economy bloc in the Senate Appropriations committee, of which Bridges is chairman. They were on the short end of the 16 to 3 vote by which the committee approved the waterways spending in the Army Civil Functions bill Thursday.

Charge Violation

Labeling the measure a violation of the congressional pledge for "curtailed government spending," the three senators announced that they plan to demand that the bill be sent back to committee when it comes up for floor action next week. They will ask that the committee be instructed to:

1. Pare not less than 200 million dollars from it. This would

bring the amount 98 million dollars below the 539 million dollars approved by the House.

2. Tell Army engineers to allocate what's left according to urgency, long-range importance, whether the projects can be completed with "reasonable" funds and whether local governments are helping to foot the bill.

Hospital Auxiliary Meeting On Monday

There will be a special meeting of the New Castle Hospital auxiliary Monday evening, April 26, at nine o'clock, in the nurses' home.

The old and new members will attend, and the evening will be devoted to the discussing of a new hospital project.

Mrs. William Strawbridge, acting chairman, has made the announcement.

JEWISH PASSOVER

NEW YORK, April 23.—(INS)—Jewish passover will be observed beginning tonight in synagogues throughout the nation.

Passover, or Pesach, is held in commemoration of the Israelites' deliverance from Egyptian bondage.

Beginning at sundown tonight, conservative and orthodox Jews observe the passover for eight days, with the first two and last two days as holy convocations.

Drive slow—children move fast.

WAMPUM YOUTH GIVES PSYCHOLOGY PAPER

GRINNELL, Ia., April 23.—Marcel Wingett of Wampum, Pa., presented his senior honors paper in psychology at the Iowa Academy of Science in Fairfield last week-end.

A candidate for graduation with honors from Grinnell college in June, Wingett made a study of "Previous Learning As a Factor in the Phi Phenomenon."

Wingett is a graduate of Wampum high school.

TWO FATALLY INJURED

INDIANA, Pa., April 23.—(INS)—The coroner's office reported today two structural workers were fatally injured yesterday when they plunged from a 27-foot scaffold in the power plant of the Lucerne mines operation of the Rochester & Pittsburgh Coal Company.

The two men are Paul Couch, 28, of Gibsonia, and Albert Borden, 57, Pittsburgh.

Under normal conditions, eight to 12 inches of snow equals about one inch of water.

BUTLER STORE FIRE SWIFT

BUTLER, Pa., April 23.—(INS)—A fire Thursday in Butler caused damage estimated at \$30,000. It was the fifth fire on Main street in recent months.

The fire, which gutted Lane's

store, North Main street, started in the basement of the store, and was fought for four hours.

The sun rotates in the same direction as the earth.

United Choirs To Present Concert Sunday Evening

A concert of religious songs by the united choirs of the Polish National Catholic church, will be given at the Holy Trinity church, Miller and South Jefferson, Sunday evening at 7 o'clock.

Participating in the concert will be the following choirs: the St. Cecilia's choir of the Sacred Heart of Jesus church, Youngstown; the White Eagle choir of the Holy Cross church, Warren, O.; the Frederick Chopin choir of the Holy Cross church, Youngstown, and the Lutnia choir, New Castle.

The concert will begin with short vespers services, following which Rev. Fr. E. C. Kuzminski will deliver the address.

Over 75 members of the united choirs "Aria" will be present.

The following priests will also be present and take part in the vespers service: Rev. Fr. R. Ostrowski, Youngstown; Rev. Fr. W. Grabek, Warren, O.; and Rev. Fr. F. Rekas, Youngstown.

Following the concert, the local Lutnia choir members will be hosts to the visiting choirs, serving refreshments and entertaining in the church auditorium.

The Sea of Galilee lies nearly 700 feet below the Mediterranean, which is 25 miles away. The waters of the Sea of Galilee are slightly brackish.

The trimming of lawn trees and shrubbery is made easy by a new pruning tool, power by compressed air.

CLOTHING-HUNGRY
LONDON — (INS) — Clothes-hungry British males are at last getting a break. More clothes for men and fewer for women will be in the British shops this year, according to the International Wool Secretariat, because the Wool Control authorities have taken steps to reduce the amount of wool cloth produced for women's wear in the United Kingdom. Each Briton receives four clothing coupons per month. A man's three-piece suit costs 26 coupons, shirts five to seven, shoes nine.

SAFETY LIGHT
A blinker light that reduces the hazards of tire-changing at night is available for motorists. When a flat occurs, the safety light, which operates off the car's battery, is placed on the highway.

TONGUE TWISTERS
ALBUQUERQUE, N. M.—(INS) Fortunately for radio announcers, names of most of the towns and cities in New Mexico have been whittled down from the original Spanish versions. Imagine a broadcaster in the state capital trying to enunciate a station break like this: "This is station XXX in La Villa Real de la Santa Fe de San Francisco." The New Mexico Folklore Society, compiling a name-place dictionary, says this was the original name of Santa Fe.

Court House

Fill Ballot Kits For Primary Day

Ninety Kits Are Packed
With Ballots And Instruc-
tions Ready For
Election

OTHER EVENTS IN COURT HOUSE

Ready for the use of election boards and voters, the precinct kits are packed and delivery of them to the various boards over the county will start early Saturday morning.

The ballot for the primary election on April 27 will be large insofar as the number of names is concerned but there are few contests. Election boards will be busy for hours counting votes for people who are certain of nomination or election.

Only candidate for public office will be nominated. Party officers such as delegate, state or county committeemen are elected.

CONTESTED DIVORCE

Before Judge W. Walter Braham the contested divorce proceeding of Shirley Tucker against Edward E. Tucker was heard. Cruel and barbarous treatment and indignities to person are charged. The respondent denies the allegations.

DIVORCE GRANTED

A divorce has been granted Madeline Laura Kennedy from Clarence R. Kennedy. The decree was issued by Judge Braham.

Robert Meermans Named National Council Delegate

Robert L. Meermans, general secretary of the central branch, Y. M. C. A., has been named as the central west district's delegate to the National Council of the "Y." The local official was elected at the district conclave held in Tarentum Thursday. Mr. Meermans will attend the national convention scheduled for Detroit, May 14. The secretary was also reappointed to the state committee of the Association, a post he has held for a number of years, and with John P. Boyles, president of the New Castle "Y" board, was named to the central west district committee. Dr. H. E. Helling of Ellwood City was similarly honored.

Roy L. Zinstine Dies At Youngstown

Mrs. Donald R. Wert, Maitland Lane, has received a message, telling of the death of her brother-in-law, Roy L. Zinstine, aged 49 years, West Princeton avenue, Youngstown, O. Death occurred Thursday at his home after a two years' illness.

Mr. Zinstine was employed as safety supervisor and claim agent at the Ohio-Edison company, having been affiliated with that company for 20 years.

The deceased was a member of the First Baptist Temple, Youngstown and Masonic lodge of Youngstown.

Survivors include his wife, Mrs. Ruth James Zinstine, and one daughter, Sally Rae Zinstine, at home. He also leaves his mother, two sisters and one brother.

Funeral services will be conducted Saturday afternoon at 4 o'clock from the Hofmeister funeral home, Youngstown, with Dr. E. W. Bloomquist officiating. Interment will take place in Oak Hill cemetery.

Friends will be received at the funeral home this evening from 7 to 9 o'clock.

WOMAN CUTS FINGER

Mrs. Bessie Campbell, of 211 E. Sheridan avenue, was treated at the Jameson Memorial hospital, late Thursday morning, for a laceration of the left index finger, when the lid came off a can of vegetables she was opening, cutting her finger.

DINNER TO FOLLOW WEDDING REHEARSAL

Rehearsal for the wedding of Miss Winona Price and Henry VanBuren will take place this evening at 7 o'clock in the Third U. P. church and will be followed by a dinner for the bridal party and relatives from out-of-town. The dinner will be given jointly by Mrs. James Kerr of Duquesne street, and Mrs. Charles Covert in the former's home.

The wedding will be an open church ceremony Saturday evening at 7:30 o'clock in the Third church.

Miss Ruth Van Buren will be maid of honor and William Fessler will be the best man and William Reed and William Price have been asked to usher.

SHOWER GIVEN FOR MRS. LESLIE KEMP

An evening shower for the pleasure of Mrs. Leslie Kemp, nee Jane McCrewe, a bride of this month, was given by Miss Allene Hartzell, 308 1/2 Hillcrest avenue, on Thursday evening.

Tables of 500 were in play as diversion during the evening and prizes for high scores were presented to Mrs. Charlotte Whiteman and Mrs. Leslie Kemp.

Afterward lovely gifts of a miscellaneous nature were opened by the guest of honor.

GRAND AUXILIARY HEARS UNIT REPORTS

Members of the Grand International Auxiliary to the Brotherhood of Locomotive Engineers, met on Thursday afternoon in the green room of the Y.W.C.A., with a good attendance.

During the business session, reports were given of the unit circuit meeting of the organization, held in Pittsburgh on Wednesday.

Next regular meeting Thursday afternoon, May 13, at 1:30 at Y.W.C.A. There will be a social period following the business session.

PLANS FOR WEDDING SATURDAY REVEALED

Miss Mildred Jones, daughter of Mr. and Mrs. Frank H. Jones, of West Meyer avenue, will be married on Saturday morning to George Mariacher Jr., son of Mr. and Mrs. George Mariacher, of 1602 East Washington street.

The event will be an open church wedding in St. Joseph's church at 9 o'clock, with Rev. John Unger officiating.

G.A.R. Ladies Mrs. Martha Locke, 609 Allen street, will entertain the ladies of the G.A.R. at a social in her home next Tuesday at 1 p. m.

DRIVER IS HELD

Harry E. Randall of East Brook street was arrested by Lieutenant Jones and Cruiser Operator Weiss on a charge of driving while intoxicated in an alley, near South Mill and Division street at 5:45 p. m. yesterday. An information against him will be sworn to by Police Chief Robert D. Hanna today, the latter stated.

PLACED UNDER ARREST

LeRoy H. Warren of Warren was arrested by city police at 2:30 a. m. today on a charge of permitting an unlicensed man, William G. Smith alias Willie Fears, to operate his auto in Moravia street.

Customer Relations Conference Ends

Electric utility company representatives from all sections of western Pennsylvania attended a conference at The Castleton hotel yesterday, sponsored by the Customer Relations Committee of the Pennsylvania Electric Association.

The meeting, known as a "Customer Relations Conference", is one of eight being held in various sections of the state for utility company employees.

The program was presented by various members of the committee. L. B. Round, vice president and general manager of Pennsylvania Power Company, delivered a brief address of welcome to those

in attendance. P. G. Dingley of Pennsylvania Power Company, chairman of the committee, presided at the meeting.

Utility employees were present from Pittsburgh, Beaver Falls, Butler, Oil City, Sharon, Greenville, Erie and other communities.

A similar meeting was held in Pittsburgh on Wednesday, and the next meeting will be held in Harrisburg on May 12.

Deny Report Three Big Powers Confer

WASHINGTON, April 23. — (INS)—The State Department today denied reports that the United States, France and Britain are holding secret talks of a military

character in London to formulate action in the event of a Soviet showdown in Berlin.

The reports said that Gen. Lucius Clay, for the United States, Gen. Pierre Koenig for France, and Gen. Sir Brien Robertson, for Britain, conferred on possible military strategy should Russia try to oust by force the three occupying powers from the Berlin area.

A spokesman for the department pointed out that talks are going on in London on the whole economic and political problems concerning the future of Germany.

A new mechanical unloader shakes a freight car like a box of cornflakes, dumping its load of grain in one-tenth the time hand shovels would take.

Shenango High Honors Athletes

Annual Recognition Banquet
For School Athletes On
Thursday Night

SHERIFF COEN IS PRINCIPAL SPEAKER

Shenango High school paid homage Thursday night to the young athletes of the school football, basketball and baseball, in the only manner that Shenango knows how, full of hospitality, of wholesomeness and a swell dinner by the Shenango PTA ladies. Seventy persons attended.

This annual affair at the East New Castle school started at 6:30 o'clock and was jammed full of entertainment for the next two hours. Miss Leola Rowe, music director at Shenango started the banquet off by having everyone sing the "Blessing". The dinner followed which consisted of ham loaf and the trimmings that melted in your mouth and left no one hungry at the finish unless they were on a diet.

Nahas Toastmaster
Forced into the breach at the last minute by illness of the scheduled toastmaster, Coach Eddie Nahas, the veteran, showed as much aptitude for after-dinner speaking and introductions as he does on the gridiron and basketball court. Let's say Eddie did a "swell job".

Miss Shirley Loeffler, a very lovely young contralto rendered a pleasing solo "One Kiss" accompanied by Miss Rowe, at the piano.

Sheriff Coen Speaker
The principal speaker on the program was Sheriff Frank "Jewie" Coen, and in typical Coen fashion gave the youngsters a lot of good sound advice and inter-

spered his talk by bits of humor that had them in stitches. Coen recounted many instances of his long and varied baseball career that had his audience spellbound.

Coen really wows them and could just as well be a comedian as a sheriff.

Others who spoke were: Glenn Johnston, principal of Shenango High; Jack Berriman, coach of junior varsity basketball; assistant coach of football, John Susko, and Charles "Bugs" Walther, News sports writer. Harry Zurasky on behalf of the football team presented the lovely Class B Lawrence County 1947 championship trophy to Mr. Johnston, for the school's trophy case.

The final part of the program was given over to the awarding of letters to the young athletes, by Coaches Eddie Nahas and John Susko, as follows:

Letters Awarded
Seniors receiving football letters—Ronnie Johns, Harry Zurasky, Bernard Daugherty, Dave Dougherty, Ralph McMahon; Juniors—Bill Tanner, Tom McGary, Lloyd Fombelle, Ronald Oliphant, Bob McGovern, John Sorbo, Walter Zurasky, Donald Parks; Sophomores—Walt Kulinski, Robert Mielusny, Bill Getchy, Dick Kroesen, Joseph Marrone; Freshmen—Angie Marrone, Johnny Allen, Robert Borsic, and Manager—Edward Zmuda.

The following boys received basketball awards—Seniors, Ronnie Johns, Don Zeigler, Martin Bayuk, Harry Zurasky, Lepisto; Juniors—Tom McGary, Bill Tanner; Sophomores—Bill Getchy and Dave Dougherty.

The following received baseball letters—Frank Barton, Charles Rhodes, Ronald Oliphant, Dick Kroesen, Don Parks, Bill Tanner, John Braatz.

The showing of movies ended the evening a most happy one.

Senate Committee Confirms Harriman

(BULLETIN)
WASHINGTON, April 23.—(INS)—The senate foreign relations committee today unanimously approved the nomination of W. Averell Harriman, retiring secretary of commerce, as the Marshall plan "roving ambassador".

Chairman Vandenberg (R) Mich., announced the committee's approval following a closed session in which Harriman was questioned for slightly more than an hour.

The trombone formerly was known as the sackbut.

Pascoe Chisels Off Name He Carved 55 Years Ago

FRED PASCOE

Fifty-five years ago, Fred Pascoe, then a young fellow starting in at his trade of cutting stone, neatly chiseled the letters on heavy blocks of stone which were placed over the Hoyt Block, on the Diamond.

Fred was pretty proud of his work. In addition to the name Hoyt, he also chiseled out several attractive designs to offset the name.

This week, he again took his mallet and chisel and cut off the fancy lettering and designs he had

so painstakingly wrought over half a century ago. The reason, the building has changed hands, and is now being turned into the Frew Building, to be occupied in a few days by the Frew Furniture Company as a business and apartment block.

In those 55 years, Mr. Pascoe, now turned 73, has cut a lot of stone and many local buildings bear his handiwork. In spite of his three score years and thirteen, he can still wield a nifty mallet, and is kept busy at his trade.

CHEWTON

SUNDAY SERVICES
Chewton Christian church—10 a. m., Bible school, Elmer E. Badger, supt. Mrs. O. V. Douthitt, Jr. dept. supt.; 11 a. m., Lord's supper and worship service; 7:30, evening worship and song service. The song service will be in charge of the Loyal Sons and Daughters class of the Bible school. C. P. Durbin, minister.

CLASS ENJOYS DINNER
Members of the J. C. Yoho Bible class gathered in the church basement for a covered-dish dinner. The dinner was served at tables charmingly decorated in keeping with the spring season and centered with spring flowers.

After the dinner, Mrs. Paul Houk presented a short program. Later in the evening games and singing were enjoyed by the group. Mrs. Roy Douthitt was chairman of the dinner.

The president, Lewis B. Guy, announced that the church board had appointed the class to take charge of the Mother and Daughters banquet and the Father and Sons banquet.

Mr. Guy appointed Roy Douthitt, Paul Mayberry and Elmer Badger to take charge of the dinner for the Mother and Daughters banquet with Glenn Hennon and Regis Arnold in charge of the program. Mrs. Gale Allen, Mrs. J. D. Gormley and Mrs. John Roe are to take charge of the dinner for the Father and Sons banquet with Mrs. Rena Houk and Mrs. Lewis Guy in charge of the program. The tentative date for the Mother and Daughters banquet is May 9.

SAILORS END BASIC COURSE
It was announced today by the local navy recruiting station that R. J. Kosio, T. F. Campbell, J. T. Kosior, Stanley Presnar, Jr. and W. L. McCollums of Chewton and vicinity have completed 12 weeks of navy recruit training at the Great Lakes Naval Training Center and are now at home enjoying 12 days leave.

They have all been promoted to seaman, second class, and are available on completion of leave for transfer to either a navy specialty school or to duty aboard one of Uncle Sam's warships.

TELEPHONE LINES EXTENDED
On Monday, telephones were installed in the Snake Run and Turkey Hill sections. What was known

as the Snake Run line was discontinued and the Bell system installed. This will be a great aid to residents of that section as very few of the families had phone service previously.

WILD SHOOTING

Saturday evening or Sunday morning, a short from a 22 rifle penetrated a bedroom window in the residence of Mrs. J. C. Yoho.

The bullet went through the glass and window blind, struck the opposite wall and deflected to the floor. Fortunately, there was no one in the room.

CHEWTON NOTES

Mr. and Mrs. James Madden, of Darlington, visited at the home of Mr. and Mrs. Elmer Badger and family, on Monday evening.

Cheryl Ann Winegar, small daughter of Mr. and Mrs. Bryl Winegar, is reported improving. She is confined to her home with pneumonia.

Mrs. Roy Craven is confined to her home by illness and is a little improved.

Mr. and Mrs. Arthur Cunningham and daughter of New Brighton have moved into the Pieuch residence which they have recently purchased.

Mrs. John Pieuch has moved from here in Chewton to a newly purchased home in Beaver Falls.

Mr. and Mrs. Lloyd Campbell and family visited with Mr. and Mrs. James Hennon and family of Harlansburg on Thursday evening.

Mr. and Mrs. Glenn Hennon and family and Mrs. J. C. Yoho were in New Castle on Thursday evening.

Mrs. Robert Davidson visited with her sister, Mrs. Jack Habbysaw of Wampum on Wednesday.

Mrs. Luella Kellner visited with friends and relatives in Ellwood City on Wednesday.

Mr. and Mrs. M. L. Ferguson attended a Boy Scout meeting in New Castle on Tuesday.

Mrs. Russell Fosnaught, Mrs. Robert Tillia, Mrs. Eugene Tillia, Mrs. Essie Tillia, Mrs. Ralph Strealy and children, Mrs. William Tillia, Miss Nora Ritchie, Mrs. Frank Cole and Mrs. John Kuzemarski spent Monday evening quiting at the home of Mrs. Charles McKough in Ellwood City.

Mr. and Mrs. Charles Solsberg and daughter Gloria of the Ellwood-New Castle road visited at the home of Mr. and Mrs. Peter Solsberg and family on Sunday.

PULASKI

Mrs. Irwin Walker entertained at a delightful party in her home Thursday evening. Games and contests were the diversion of an evening and prizes went to Mrs. L. Rodgers and Mrs. John Walker. Mrs. Rodgers also won the door prize. Later in the evening a delicious lunch was served by the hostess, aided by her daughter-in-law, Mrs. Richard Dodds.

Members of the junior department of the Methodist Sunday school enjoyed a party Saturday, marking the close of an attendance contest between the Blues and the Reds, the Reds being the winners. Games and singing occupied the children after which refreshments were served. The affair was in charge of Mrs. Adam Grell, superintendent of the junior department, aided by Mrs. William Liddle, Mrs. Robert Mitchell, Mrs. Aubrey Morgan and Mrs. Gavlori Cameron.

Mrs. Roy C. Bilger, Mrs. Robert Rice and Mrs. Aubrey Morgan attended the New Castle sub-district meeting of the W. S. C. S. held in the Epworth church. Pulaski extended the invitation and it was accepted for the next sub-district meeting to be held in the Pulaski Methodist church.

American Can

Company Payroll
\$80,000,000 In '47

An average of 27,500 employees engaged in the production and sale of containers for American Can Company, one of whose 68 plants is located in this city, received wages and salaries totaling \$80,070,561 in 1947, it was reported today.

Profits of the company, according to an annual report to employees, totaled \$21,336,624. Of this amount, \$10,308,325 was paid out in dividends to over 30,000 stockholders, and \$11,528,299 was

retained in the business "to keep it on a sound basis and provide new facilities."

In the last two years, it was stated, a total of \$48,171,725 has

been spent to provide new equipment and buildings.

In measuring the growth of the business since prewar days, the report said that the "cut up" of metal

was 50 per cent greater than during the average of 1936-40, and

that there was an even greater increase in the use of paper.

Dollar sales in 1947 were up 85

per cent over the 1936-40 average,

while wages and salaries were up 159 per cent and taxes were up 181

per cent. Profits, however, were up only 29 per cent.

BIG JOB for Earnings

...meeting your

BIG and GROWING NEED for Oil!

The better you live, the more oil you need.

Today—3 million more cars are on the road than pre-war. 1,500,000 more homes have oil heat. Five times as many diesel locomotives now. Twice as many farm tractors and trucks.

More oil spells more progress.

But—this rising need for oil can be met only by modernizing and expanding on a big scale—and in a hurry in spite of today's high costs.

To do this job, Standard Oil Company (New Jersey) and its affiliates are spending one billion dollars in 1947 and 1948 alone—for new wells, plants, tankers, pipelines, storage tanks, and all the other things it takes to get you the oil you need.

That billion dollars is money that goes back into the business from earnings, past and current.

In 1947, for instance, we put 426 million dollars into replacements and expansion. To do this, we:

(1) used all funds set aside to replace worn-out equipment;

(2) ploughed back well over half the year's profits—all that was left after paying dividends; and

(3) dipped heavily into savings put aside in years past to help meet just such needs as we face today.

In the seven years 1940 through 1946, we spent well over one billion dollars for needed equipment, mostly for war needs. Now, in just two years, we are spending another billion dollars. This money comes from the business itself. Money made on the job goes back into the job.

Profits we reinvest for needed production facilities work for everybody. They pay for the capital investment that we must make today to get the oil you need tomorrow.

Nation's Crop Outlook Is Discussed By Babson

By ROGER W. BABSON
(Copyright, 1948, Publishers Financial Bureau, Inc.)

EUREKA, Kans., April 23.—American farmers last year grossed some 30 billion dollars—the peak in a series of phenomenally prosperous years. Will their good luck hold out in 1948?

Planting Intentions Good

This year's toboggan in farm prices, which later managed a good recovery, failed to uproot the confidence of farmers in the soundness of current economic conditions in this country. They are getting set to reap another golden harvest, if their March planting intentions may be taken as a criterion. According to the official government report, farmers expect to plant a larger total acreage of principal crops this year than in any of the past three seasons.

What will be the final results of these good intentions, I do not profess to know. Much depends upon climatic conditions in the weeks ahead. They have been generally favorable thus far, although the south has had a little too much rain. Since about as many persons were at work on farms on March 1, this year as last, the labor problem should not prove too difficult. Supplies of farm machinery and fertilizers are more plentiful, and any other factors should not seriously interfere with farm operations.

Bumper Crops Possible

Planting intentions are one thing; final yields another. The promised far-flung fields of waving wheat and ripening corn are not yet garnered into elevators and cribs. Nevertheless, on the basis of average yields, some interesting results are possible. Production of all wheat, for instance, could reach 1,110,000,000 bushels, compared with last year's record of 1,364,919,000 bushels and the ten-year average of 890,306,000 bushels. That would be a lot of wheat by any standard. Corn could chalk up a total of around 3,000,000,000 bushels—well above the ten-year average and last year's short crop of 2,400,952,000 bushels. The oats out-turn

could ring the bell at 1,376,000,000, which would be 13 per cent above the 1947 crop and 11 per cent above the 10-year average.

The major uncertain factor in the over-all crop production outlook this year, as always, is weather. Since I am no weather prophet, I cannot speak authoritatively on that subject. I do know, however, that the wrong kind of weather during the critical growing periods can quickly change a bright crop picture into an extremely dismal affair. I believe it is more important this year than usual for all buyers and sellers of farm commodities to keep a watchful eye on weather conditions from now on. They may well be the clue to profitable timing of purchases or sales of farm products in the months ahead.

What About Prices?

Can farmers this year reasonably expect to get good prices for their wheat, corn and other crops? Here, again, uncertainty enters the picture. It does seem to me, however, if present crop indications are borne out, especially as regards wheat, that agricultural prices in general are likely to move still lower, despite any intermediate upturns that may result from crop scares or other temporary factors.

Do not forget that European crops are reported to be making generally favorable progress. Good crops in Europe this year would materially lessen dependence upon imports of American grain and other foodstuffs. Should some untoward event precipitate war with Russia next year, exports of grains and food products to Europe could largely cease. Lessened foreign

demand would put some downward pressure on U. S. farm prices.

Another Good Farm Year

Nevertheless, I do not expect the bottom to fall out, whatever happens. Domestic demand will continue unusually large, since employment and wages should hold at high levels. In any event, the government is committed to support agricultural prices at 90 per cent of parity—a level that would assure farmers a fair return for their work and products.

All in all, the odds, in my opinion, favor another good year for American farmers in 1948. Although they are tightening their purse strings a bit at present, they should prove good but wise spend-

ers when 1948 crops are in. Merchants should prepare now to make the most of profitable farm markets.

ATTORNEY GENERAL SPEAKS

CARLISLE, Pa., April 23.—(INS)—The 175th anniversary of Dickinson College was pointed up today by Attorney General Tom C. Clark's pronouncement that "education is more powerful than atomic bombs."

He spoke during a convocation last night on the Carlisle campus of the 10th oldest college in America along with Pennsylvania's U. S. Senators Edward Martin and Francis J. Meyers.

Drive slow—children move fast.

Spanish War Vets To Meet Saturday

In the American Legion Home, North Jefferson street, members of Daniel Leasure Camp No. 24, United Spanish War Veterans, will have an open meeting Saturday evening, April 24, at 8 o'clock.

The speaker of the evening will be the state department junior vice commander, Charles A. Richards. All Spanish War Veterans of New Castle and Lawrence county are welcome, as the meeting will be of interest to all.

Highways Leading To Gettysburg Paint Picture Of Battle

HARRISBURG, April 23.—(INS)—Highways approaching Gettysburg battlefield have been marked to provide a clearer picture of the famous Civil War conflict, it was reported today by the State Historical and Museum Commission. Most of the more than 700 markers are outside the perimeter of the actual battlefield on which 170,000 infantrymen clashed in 1863, the commission said. More

than two dozen trace the course of Gen. Robert E. Lee's Northern Virginia army from the time it entered Pennsylvania. Others are many miles from the scene of fighting.

"The roads from Maryland, approaching the field from the south, show markers that detail the beginning of the dramatic story," the commission said. "They stand along the Hagerstown-Chambersburg road; the Waynesboro-Mont Alto-Black Gap road; along the Emmittsburg, Taneytown roads and along the Baltimore pike."

It is estimated there are 250,000 workers employed in the United States processing and delivering dairy products.

Former East Side Resident Expires

Word has been received in this city of the death of Mrs. Mary A. Trusell Rawle, aged 80, at the Masonic Home in Elizabethtown, Pa. Mrs. Rawle died on April 14, following a several month illness and burial was made at Pittsburgh.

Mrs. Rawle, who previously lived at 710 County Line street, was preceded in death by her husband, Fred Rawle. She is survived by a daughter, Mrs. Mabel L. Grauen of Pittsburgh and one sister and three brothers.

East Brook FFA Honors Fathers

Eighth Annual Father And Son Dinner Held At High School Thursday Evening

RAILROAD MAN IN MAIN SPEAKER

One of the most delightful in the long series of father and son dinners of the East Brook chapter, F. F. A., was held Thursday evening in the East Brook high school gym, with a large attendance of members, fathers and guests.

Following a fine dinner, served by the ladies of the East Brook community, an interesting program was presented.

Eugene Downing, president of the chapter, presided as toastmaster, the welcome to fathers being given by Harold McConnell, and the response being given by his father, Sherman McConnell.

Degrees Awarded

The guests were introduced by Howard F. Fox, advisor of the chapter and vocational agriculture teacher at the school. Included were members of the Hickory township and Washington township school boards.

The honorary degree of Future Farmer was conferred on James C. Fink, county vocational agriculture supervisor, and John L. Reiber, whose family was selected as one of the state's outstanding farm families at the state farm show last winter.

Reports of F. F. A. activities were given by members of the chapter as follows:

Area judging contest, Albert Cummins.

State College contests, Bob Pontius.

Scholarship plaque, Walter Lysh.

State Fair judging, Don Smith.

Area and state project contest, Jim Beck.

Sears Foundation projects, Keith McConnell.

The Pittsburgh trip, William Pontius.

The state farm show, Howard Schooley.

Area F. F. A. activities, Jack Hanna.

Awards won by outstanding members were presented by Mr. Fox, Albert Cummins receiving a gold medal for his poultry records work in the state F. F. A. contest; Robert Hawthorne for his steer project, while Don Smith was presented with his Keystone Farmer pin.

Wartley Main Speaker

L. S. Hartley of Morgantown, W. Va., agriculture agent for the B. & O. railroad, gave an interesting talk to the boys on "Handling Chances", in which he urged the boys to take advantage of every opportunity for advancement which

presents itself. He likened the game of life to that of baseball, stating that though some of the greatest baseball players in the world make a few errors occasionally, they are not put off the team, because a lot of those errors come through handling difficult chances.

He presented the chapter with a check for \$25 from the railroad company, in recognition of the fact that the East Brook chapter was one of the four leading F. F. A. chapters in the area served by the railroad.

Assist In Program

Assisting with this year's program were John D. McFate and Chester W. Lathrop, Jr., student teachers from Penn State college, who are doing their practice teaching in agriculture at East Brook high school.

The officers of the chapter were: president, Eugene Downing; vice president, William Pontius; secretary, Arthur Rote; treasurer, Jack Brus; sentinel, Gerald Perschke; reporter, William Shaffer; advisor, Howard F. Fox; assistant advisors, John D. McFate and Chester W. Lathrop, Jr.

Mrs. Robert McCrum served as song leader with Miss Marilyn McKee accompanist. Lovely solo numbers were rendered during the program by William Sickafuse and Bob Patterson. The invocation was given by Rev. A. B. Weisz.

E. H. Pettler Dies Of Heart Attack

BEAVER, April 23.—Eugene H. Pettler, aged 46, general manager of the Standard Clay Products company of Faiston and prominent member of the New Castle Consistory, died suddenly of a heart attack at 9:30 a. m. Thursday at his home in Beaver.

His death occurred less than two months after a brother, Louis C. Pettler of Beaver Falls, vice president of Standard Clay, died of a heart attack aboard a west bound train on February 28.

Mr. Pettler was a life-long resident of the Valley. He leaves his widow, Mrs. Sarah Hodgson Pettler, four children at home, three sisters and five brothers. Funeral services will be conducted Monday afternoon at 2 o'clock, with interment in the Beaver Falls Jewish cemetery.

Boy Scouts Pass Board Of Review

Nine Boy Scouts received promotions and awards at the board of review held last night in the senior high school.

E. L. Gerlach, chairman of the board, presided, assisted by James A. Hewitt and Plummer D. Gibson.

Scouts honored were: Second class—Anthony Mastrian and Dick Fullerton, troop 3; First class—Dick McKenzie, troop 3; Merit badge—Frank Connor, troop 3; John Russo, troop 23; Donald L. Clark, explorer post 37; Donald Kaprala, Michael Kaprala and William Pecal, troop 51.

General Motors Starts Layoffs

DETROIT, April 23.—(INS)—The General Motors Corporation began the lay-off today of the first of some 200,000 workers to be affected by the company's critical pig iron and steel shortage.

About 100 thousand workers at all but two Fisher body plants, Buick, Pontiac, Oldsmobile and 14 Chevrolet manufacturing divisions start a week's layoff tonight.

Additional closing will affect another 100 thousand in May.

Automotive officials predicted the auto industry will lose 200 thousand cars and trucks as a result of the low steel stockpiles, drained during the coal strike.

INDICTMENTS RETURNED

HONOLULU, April 23.—(INS)—A federal conspiracy indictment is on file in Honolulu today against two companies owned by Howard Hughes, millionaire Hollywood industrialist, movie maker and sportsman.

The grand jury indictment charges the Hughes Aircraft Company and the Hughes Tool Company conspired to defraud the government in the purchase of army surplus materials in Hawaii. It says the companies used a veteran as a "front" to make priority purchases.

In the old days of American colonialization, wild turkeys sold for 6 to 25 cents each. The native Indian tribes of eastern North America called them "penaway."

The Gregorian calendar gains slightly more than 44 minutes every century, making an error of one full day in about 3,261 years.

Corry Elks Chorus Sings Here Sunday

Members of Elks' Lodge No. 69 will be entertained Sunday, April 25 when the Elks' Male Chorus of Corry Lodge No. 769, Corry, Pa., will present a concert in the Elks' Home on North Mill street.

The chorus is composed of thirty singers under the direction of H. Lynn Rice. Concerts have been presented in many cities of western Pennsylvania and it is said the chorus is a finely trained musical unit.

In addition to the choral singing there will be some features. Charles M. Lyon, formerly with Rudy Vallee will be heard in solos. Another nationally known artist is Peggy Norton Dawson, widely known concert harpist.

The local Elks are preparing for a program of merit.

Many Italian workers now entering Argentina to live are offered jobs paying \$50 a month.

FIND BODY OF BOY
WESTOVER, Pa., April 23.—(INS)—Police reported today that the body of Edward Westover, nine, was found last night in Chest creek, about one and one-half miles from the point where he fell in on April 14.

The boy's body was wedged in the roots of a tree which had fallen across the stream.

MORE VILLAGES TAKEN
JERUSALEM, April 23.—(INS)—Jewish militiamen captured several villages outside Jerusalem today amid reports the Arabs are considering evacuation of the Holy City.

Cemeteries in Europe contain the graves of 30,908 American war dead of World War I.

EDENBURG

Rev. Henry Koch of the Christian church, accompanied by his brother-in-law and members of the church, have left for Springfield, Ill., where they will spend some time at the convention of the Disciples of Christ. A Gideon from New Castle convention will preach in the church Sunday morning.

Mrs. Henry Koch and son, Rog-

er, are visiting at the home of her brother-in-law in Hubbard, O.

Mr. and Mrs. Todd Hofmeister, Mr. and Mrs. Ralph Hoover and sons, of Niles, O., visited at the home of Clarence Jones Sunday.

Miss Mary Morrow has been quite ill at her home during the week.

At an Anglo-Saxon wedding it

used to be the custom for the father

of the bride to present one of her

shoes to the bridegroom.

ORDERS HIT PEACETIME HIGH

PITTSBURGH, April 23.—New orders booked by the Westinghouse Electric corporation during the first three months of 1948 hit a new peacetime high of \$242,355,168, Gwilym A. Price, president of the company, told stockholders at their annual meeting here today.

The previous high for orders received during any peacetime quarter was \$226,848,611 in the third quarter of 1947. In the first three months last year new orders totaled \$201,021,891.

Would Require Registration Of Aliens For Draft

WASHINGTON, April 23.—(INS)—The Senate Armed Services committee voted unanimously today to require all aliens aged 18 through 25 to register for the draft.

The decision was made as the committee began work on Defense Secretary Forrestal's compromise preparedness program, which now calls for a 66-group air force.

Sen. Gurney (R-S.D.), committee chairman, said his group got "down to brass tacks" on the selective service section of the administration's armed forces manpower bill.

Would Be Penalized
Gurney explained that today's action means that while all aliens would be registered for the draft, deferments would be possible for those in the United States as exchange students or for other purposes.

But he emphasized that if an alien won deferment, he could "never apply to become a citizen." The House draft plan authorizes registration of aliens who have signified their intention to become citizens.

Gurney said the committee had not yet taken up Forrestal's overall manpower recommendations for a total force of 1,795,000 men. He said, however, that he had heard "no objection" from committee members to Forrestal's compromise proposals, which involved a defense budget of 14 billion 481 million dollars.

Mrs. M. G. Crisci
Hears Son Sing
At Carnegie Hall

Croton Youth, Member Of Symphonic Choir Of Westminster College, In Presentation

Mrs. Michael G. Crisci of 1023 Croton avenue, has just returned from New York City, Princeton and Woodbridge, N. J., where she was privileged to hear her son, Roland Crisci sing with the Westminster Choir College Symphonic Choir in conjunction with the New York Philharmonic Symphony which just closed its one hundred and sixth season, at Carnegie Hall.

Mrs. Crisci was in attendance at the final concert at Carnegie Hall last Sunday afternoon, when Bruno Walter conducted the great symphony in Beethoven's "Missa Solemnis" for orchestra, chorus and four solo voices. Assisting artists were: Eleanor Steber, soprano; Nan Merriman, mezzo soprano; William Hain, tenor and Lorenzo Alvarry, bass. This concert was heard on a national network.

During her visit in New Jersey, Mrs. Crisci attended First Presbyterian church of Woodbridge, where Roland is serving as Minister of Music. At a special choral vesper service at the Woodbridge church on April 11, Mr. Crisci presented his special choral choir in a presentation of Gabriel Faure's "Requiem". Soloists from the choir college aided in the program.

Roland, who is a junior at the school, will complete his studies there next year and will accept a position as minister of music in an eastern church.

COMMISSIONER INJURED
CARBONDALE, Pa., April 23.—(INS)—Harold J. Spencer of Uniondale, chairman of the Susquehanna county board of commissioners, is in Carbondale hospital for treatment of injuries sustained when he fell from a ladder while painting.

A preliminary examination indicated he suffered a head injury.

Hunt Brutal Slayer

BOSTON POLICE are hunting the brutal slayer of Mrs. Dorothy C. Brennan, 32, whose unclad, mutilated body was found jammed into an old-fashioned wash boiler on the mud flats of South channel. With Mrs. Brennan is her son Richard, now 12. Brooklyn, N. Y., police booked George Dolan, 57, a contractor, in connection with case. (International)

Greatly Increased Imports To U.S. Is Pleaded For Today

NEW YORK, April 23.—(INS)—Willard L. Thorp, assistant secretary of state for economic affairs, pleaded today for greatly increased imports to the United States in order to balance world trade.

In an address to the American Council of Importers, Thorp outlined a trade policy of importation by the United States of larger quantities of goods from Europe as one step in help Europeans achieve economic recovery. He said:

"In a general economic sense, as we increase our imports from any part of the world we make it more possible for other countries to recover their equilibrium and to make further progress."

He pointed out that the immediate economic policy of the United States is based on helping Europe get much needed dollars with which to purchase U. S. goods and to reestablish reciprocal trade throughout the world.

Based on Commerce Department figures on world trade, he noted that the U. S. share of exports is 35 per cent of the total and imports only 11 per cent.

HOUSE OPPOSES WOMEN IN SERVICE

WASHINGTON, April 23.—A proposal to make the Wacs, Waves and Women Marines regular branches of the armed forces was rejected by the House after one male member protest that it would open West Point to co-eds.

The Senate already has passed legislation to make the ladies regulars, but the House voted that they be kept in the military service only as reservists.

The two chambers will have to argue it out in conference.

MOTHER, 27 YEARS OLD HAS TEN CHILDREN

STREATOR, Ill., April 23.—Mrs. John Cole believes she may be the nation's youngest mother with the largest family.

Mrs. Cole, wife of an electrician, is 27 years old and has 10 children. All births were single. The children—five boys and five girls—range in age from four weeks to 10 years. The family has been living in the basement of a new home which is under construction.

Ex-GIs Take Note: Dry Eggs Improved

CHICAGO, April 23.—That powdered eggs now is just about as good as fresh eggs, two chemists said today.

Even after a year, the new egg powder tastes so much like fresh eggs that many untrained observers cannot tell the difference.

Ralph M. Conrad, director, and John W. Greene of the University of Colorado's Bureau of Industrial Research told the American Chemical society.

Many criticisms of the war-time powdered eggs were justified, they said, comes from a slight acidification before drying the eggs.

Dried orange juice has been improved tremendously, and keeps its flavor and Vitamin C content well, they added.

Hatfield or Bishop's Hatfield, Hertfordshire, England, is noted for Hatfield House, seat of the Marquis of Salisbury, which is built on the site and containing the remains of the famous palace of the bishops of Ely erected in the 12th century. Henry VIII acquired it. Queen Elizabeth was called to the throne while a resident of the palace; James I also resided there, and it was one of the prisons of Charles I.

VETERINARIANS NOW STUDY SIX YEARS
CHICAGO, April 23.—Students starting veterinary training next fall will face harder chores than their predecessors.
The American Veterinary Medical Association announced that a six-year college training require-

ment will go into effect next fall at all of the 12 accredited veterinary college in North America.
The more rigorous standards are necessary, the association explained, because the whole field of veterinary medicine has greatly expanded in recent years and now is closely linked with many other branches of science.

State Capitol
Senator Wade Gets Support
Few To Give Eleventh Hour Aid Is Report At State Capitol
OTHER NEWS OF STATE AFFAIRS
HARRISBURG, April 23.—(INS)—Sen. George N. Wade (R) Cumberland, will get some 11th hour support in his primary campaign for re-election from Joseph N. Pew, Chester oilman. The support will come in the form of advice and assistance in his campaign. Pew long has sought a stronger voice in party policy making. He quietly slipped financial support and dispatched his workers to aid ousted highways secretary John U. Shroyer in his primary contest for the GOP gubernatorial nomination two years ago. Shroyer was overwhelmingly defeated.
An insurance man, Wade is playing a "lone wolf" political game in his county after attempting to play two sides against the middle in a three-ring battle for county control last fall. The fight centered over election of a district attorney. Wade jumped from one side to another in his endorsements and soon found himself out in the cold. Wade served in the house of representatives from 1931 to 1933 and has been in the upper chamber since 1941. He is being opposed for the GOP nomination in the four-county district by William R. Shearer of Carlisle.
The department of property and supplies has taken steps to guarantee fuel supplies for the state's several hundred institutions, office buildings, armories and state teachers colleges during the 1948-49 winter. Bids were taken at the state capitol for coal supply service and awards will be made as soon as possible so that delivery can be started in June. Four hundred requisitions from coal and fuel oil are before the department. Henry C. Shank, a department buyer, said the commonwealth buildings have in recent years consumed annually 530,000 tons of coal and about 5,000,000 gallons of fuel oil at an estimated cost of \$10,000,000.
The state commerce department's semi-annual air cruises planned for private airplane owners will terminate this year at Williamsport this spring. The three-day cruise will be combined with a business session of the Pennsylvania Aviation Trades Association. More than 300 aeronautics enthusiasts are expected to participate. The department, which houses the state aeronautics commission, originated the fall and spring cruises with an eye toward furthering a new type of tourist trade. As a result, the cruises terminate at a recreation center where flyers can enjoy picnics, banquets, dances, golfing, fishing and other sports.
State highway crews have started their spring traffic line painting. The job is a big one and will cover 12,200 miles of painting, 200 miles more than tackled last year. The department has purchased 120,000 gallons of white paint to divide the road surfaces and serve as warnings on hills and guides in bad weather. The work is expected to be completed by mid-July.

DESIGN AND COLOR IMPORTANT WHEN BUYING RUGS FOR HOME
If you walk into a room and feel as if the floor were jumping at you, probably the color and design of the rug are responsible.
A floor covering, well-suited to a room in design and size, gives a feeling of rest and comfort.
When you are buying a rug—first decide on the color. Trusting your memory for selecting color is unwise. You can buy with more satisfaction, and the sales person can be of more service in helping you select a rug, if you take samples of wall paper, draperies, and slip cover materials or upholstery with you when you buy.
Rich subdued colors in two-tone or pattern effect prove to be more satisfactory over a period of time. Some plan color rugs show footprints more than plain patterned rugs. However, much pattern, as in realistic designs and detached motifs scattered over the rug, are not so pleasing as small patterns in blended colors.
Small conventionalized, all-over patterns in two values are especially good for use in small rooms. The two-tone effect in rugs is produced in many ways. In some rugs it is done with some pile straight and some twisted. A pebbly two-tone effect is usually done by the use of twisted yarns. Use of cut and uncut pile, or a combination of longer and shorter pile, will also produce the two-tone effects. If there is too much contrast in color between the designs and the background, the rug has a tiresome effect and it does not form a good background for the furnishings in the room.
When you buy your rug, remember it is one room furnishing that is not often replaced and you'll be living with it likely for quite some time. Buy one that is restful and pleasing—one that you won't tire of soon.
Lon Chaney Jr. Is Battling Death
Son Of Late Famous Master Of Film Makeup Swallows Overdose Of Sleeping Pills
BURBANK, Calif., April 23.—(INS)—Lon Chaney Jr., busy screen actor and son of the late master of film makeup, was reported near death today in St. Joseph's hospital after swallowing an overdose of sedatives.
The 43-year-old, 6-foot, 2-inch actor whose physique won for him many roles in outdoor adventure films, staggered into his home last night gasping that he had taken "40 sleeping tablets," according to Mrs. Chaney, the actor's second wife.
Ronald Chaney, 19, a son by Chaney's first marriage, confirmed Mrs. Chaney's account.
In Critical Shape
They said Chaney lurched out-side to the garage where Ronald found him lying on the floor of a truck.
Chaney was given first aid and then transferred to the Burbank hospital where he was reported in critical condition.
Police quoted Ronald as saying Chaney and his present wife had had many arguments recently. Ronald's mother, the former Dorothy Hinkley, divorced the actor in 1936.
Chaney's present wife is the former Patsy Beck, who married the actor in 1937. They renewed their vows in a Christmas Eve ceremony in 1945. In 1944 they filed adoption papers for 8-year-old Burrell Howard Decline, son of a former employee of the Chaney's.
Chaney became a star in his own right in 1939 when he created the role of Lennie in the stage and screen versions of John Steinbeck's "Of Mice and Men."
In 425 B. C. occurred one of the first recorded uses of poison chemicals in warfare, when the Spartans burned sulphur before the walls of Athens to drive the defenders from the walls.
Bible history begins in Mesopotamia, the "land between the rivers" (Tigris and Euphrates).

Strikes Causing Slowdown In Auto Production Today

WILMINGTON, Del., April 23.—(INS)—A spokesman for the automobile industry today blamed coal strikes, steel shortages and lack of "positive calculations" regarding future consumer demand for a slowdown in automobile production.

L. W. Ward, general sales manager of Pontiac Motor Division of General Motors, predicted that the industry would produce about 4,000,000 passenger cars this year.

Five Years Yet
But even at this rate, Ward explained, "it will take upwards of five years to meet the constantly growing demand."

Ward said steel shortages have forced the closing today of all General Motors foundries, machine shops and sheet metal plants.

The coal strike, he noted, has ended, but "its repercussions continues to be felt in the auto plants."

Around Hollywood

By FRANK NEILL

(International News Service Staff Correspondent)

HOLLYWOOD, April 23.—(INS)—Sailor Vincent, former boxing champ of the United States Navy, is plumb fed up with impersonating females in the movies.

So the veteran Hollywood stunt man, a gent with vision, is studying the drama.

"You gotta look ahead," Vincent said today. "I can't go on forever falling off cliffs and crashing motor cars. I'm taking lessons in elerution."

For 25 years Vincent has been stuffing his pockets with high-denomination greenbacks by suffering varied indignities for the cameras.

Good Impersonator
Because of his pudgy build, which makes him a perfect photographic double for middle-age matrons, Vincent has become one of the screen's ablest female impersonators.

He confessed:
"When you see a dame leaping

off a cliff with a baby in her arms—it's me holding a doll. I always double for May Robson.

"When Jane Darwell got knocked down by a car in 'Thieves Fall Out,' that was me, too. I fell offa horses for Elsa Maxwell! But I'm getting too old for that stuff. So I'm studying this elerution with Diana Delare, the drama coach. Pernounced drama, not draama.

"Miss Delare gives me words to practice up. Machination is per-nounced makinashun and means to bounce off a wall. Natatorium has got emphasis on the 'O.' Melee is a puzzler. That's per-nounced may-lay and means a scrap."

Portrays Tramp
Sailor Vincent, probably the best stunt man in the movie dodge, is known around Hollywood as "Mr. Gloves," he always wears them—except when exigencies of a scene demand he work barehanded.

He explained:
"Gotta protect these digets. Never rehearse a scene without gloves. Wear hip and elbow pads, too, when needed."

"You don't last long in this stunt racket if you don't protect yourself. Most guys get hurt during rehearsals when they're doping out the routine."

"Pal of mine once jumped a hundred feet into a span of water and didn't even get scratched. Next day he sat in a snowbank and busted his back on a spike. Neglected to rehearse the scene."

Announce Plan For Food Distribution

HARRISBURG, April 23.—(INS)—The Department of Property and Supplies today announced a simplified system for distribution of federally-donated food to schools, welfare recipients and public institutions.

Paul S. Worcester, assistant di-

rector of the purchase division, has been assigned full charge of distribution within the state of foods contributed by the U. S. Agriculture Department, it was announced.

Previously, the 29 distributing agencies in the commonwealth received food allocations direct from the Agriculture Department's north east area office, often resulting in inequitable distribution because of transportation difficulties.

CLINICAL PSYCHOLOGISTS
GALESBURG, Ill.—(INS)—The American Board of Examiners in Professional Psychology recently named Dr. C. M. Louttit, dean of the University of Illinois Galesburg Division, "a diplomat in clinical psychology." Also accepted for the honor were 233 other candidates in clinical and industrial psychology and in counseling and guidance throughout the nation.

SPELLING AMERICA
EASTON, Pa.—(INS)—Dr. Theodore A. Dieler, president of Franklin and Marshall college, says an "American offensive is needed to sell our ideas to the world." He added: "Americans are known as the best salesmen in the world. They can sell anything, but our biggest selling job is to sell our way of life."

There are now 51 women judges serving in the United States.

VOLANT YOUTH SELECTED
Ewing Thompson, seaman apprentice, U.S.N., son of Edwin Thompson of Volant, has been selected to attend the Fire Controlman's school at the Naval Training Center, Great Lakes, Ill.

Thompson, who entered the naval service January 7, 1946, at the Naval Recruiting Station, New Castle, Pa., received his recruit training at the Naval Training Center, Great Lakes, Ill.

Violence Occurs In Italian Towns

Believe Outbreaks
Communist Inspired

ROME, April 23.—(INS)—Communist-inspired post-election violence flared today in a number of Italian towns after police crushed an embryo revolt in the Alban hills near Rome.

Principal violence occurred in southern towns.

At Lusciano, near Naples, Communist groups attempted to storm the town hall and to desecrate a church. The Communists were halted in their acts by the arrival of strong police and Carabinieri units who were forced to use arms. One Communist was wounded seriously.

Police seized large quantities of weapons and hand-grenades in the Lusciano action.

At Repuzzi, in Lecce province, Communists objected to the hoisting of the Italian tricolor. Their action precipitated a free-for-all in which two Christian Democrats were injured.

At Rodi, in Garigliano, a Christian Democratic woman was severely beaten and had to be hospitalized following an argument with Communists.

Hollywood Pastor To Speak Sunday At Slippery Rock

SLIPPERY ROCK, April 23.—Dr. Louis H. Evans, now pastor of the First Presbyterian Church of Hollywood, California, a church of over five thousand members, will speak at the combined college-community vespers service at the State Teachers College, Slippery Rock, Pennsylvania, on Sunday, April 25, at 7:45 p. m.

The church in Hollywood where Dr. Evans is pastor, is now the largest Presbyterian church in the nation. It has, for the last five successive years, led all other Presbyterian churches in America in the number received into membership of the church. The church now has the largest Sunday school enrollment of any Presbyterian church in the country, nearly four thousand.

Career Day For Ne-Ca-Hi Seniors

Consultations With Representatives
Of Various Vocational Fields
Marks Day

At Ne-Ca-Hi Wednesday there was the third "senior career day" when 540 seniors met with 26 representatives of different professions and vocations in interest groups of about 30 each to discuss qualifications and requirements for success in the various vocational fields. Career day climaxes the guidance program in high school for the seniors.

During two periods in the afternoon, the guest consultants were introduced by the teachers.

Those who addressed the seniors were: accounting, Captain McKee; building trades, Herbert U. Saxton; book-keeping, B. N. Hanlon; business administration, Captain McKee; engineering, John Boyles; journalism, Bart Richards; laboratory technician, Pete Mancine; law, Atty. Thomas Mansell; mechanics, Frank Bower; machinists, Frank Morrison; medicine, Dr. Wilbur Flannery; music, Miss Dorothy Kirkbride; nursing, Mrs. Jane Geiger; photography, Paul Drake; radio, Paul Graham; selling, Don K. Hamer; social service, Miss Kathryn Duff; stenography, Miss Virginia Cartwright; telephone operator, Miss Mary Kiefer; teaching, Dr. Frank Burton; beauticians, Louis La Giori; sewing, Mrs. A. Allison.

As the final step in the vocational guidance program, cards for the seniors will be compiled for the P.S.E.S.

Arrangements for career day were in charge of Miss Dorothy Young, Mrs. Norman P. Nelson, assistant principal, is director of the vocational guidance program at Ne-Ca-Hi.

TULIP TIME IN HERSHEY

HERSHEY, Pa., April 23.—It's tulip time in Hershey! The maddest and gayest of spring garden flowers with their bright, cheerful colors, are beginning to break into bloom, and the climax will come in the Hershey garden at this week-end or next.

The Hershey garden will have more than 15,000 plants in bloom when they reach their height. These tulips represent the news of the garden world. The bulbs came from Holland last fall, and the Hershey garden will be strictly a Holland tulip show.

There are many new varieties among the 29 that comprise the selections. The bulbs were placed in beds to provide striking spring displays.

TOY DOG OUSHIONS

GIRL'S 4-STORY FALL

NEW YORK, April 23.—Nineteen-month-old Michelle Rice of Elmhurst, Queens, was given "a fair chance to live" today because her four-story fall apparently was broken by a toy rubber dog.

Her mother, Mrs. Hugh Rice, said Michelle probably had climbed to a window sill to play with the toy dog and fell from there to the concrete courtyard four stories below yesterday.

When found by her parents, Michelle's head was resting on the rubber dog, described by her mother as "a favorite toy."

Daylight Time Starts On Sunday

New Wilmington Ready To Move
Clocks: Other News Of
College Town

NEW WILMINGTON, April 23.—Daylight saving time starts officially here Saturday midnight. Westminster College will adopt the new time schedule starting with Sunday's program.

The Co-Captains class of the United Presbyterian church will meet Friday evening at the church. The meeting will be preceded by a swimming party at the college pool.

Mr. and Mrs. C. E. Cornman, 572 S. Market street, will be honored by their children next Thursday evening when open house is held in observance of the couple's 40th wedding anniversary.

Miss Helen Francis, South Market avenue, a teacher in the Mercer public schools, has been elected president of the Mercer Music club.

Howard Temple, Market street business man, is a patient in James Memorial hospital. He will undergo an operation.

Miss Viola Koonz, pastor of the Christian and Missionary Alliance church, will be guest speaker at the meeting of the W.C.T.U. Tuesday at 2:30 p. m. in the U. P. church. Her subject will be "Prayer or Ruin."

Mrs. J. D. Leadbeater is program chairman. She will have Mrs. Floyd Hoon and Mrs. Harold Burns as aides.

The choir and organist of the Methodist church will present a sacred concert in the church auditorium, at 3 p. m. Sunday, under the direction of Miss Ada Peabody, choir director.

Miss Ethel Goshorn, organist will play a number of sacred and classical compositions.

The regular meeting of the Rotary club scheduled for Monday evening has been postponed so that members may attend the district meeting at the New Castle Consistory that evening.

Members of the West Middlesex Kiwanis club will have charge of the program at Monday night's meeting of the Kiwanis club at the Methodist church. Local Kiwanians sponsored by the West Middlesex club, Griff Williams, president, has announced that the next paper drive will be held May 10.

DUFF HAILS CUT BY 'BIG STEEL'

Governor Says 'Steel Cut Step Forward In Battle On Rising Prices'

HARRISBURG, April 23.—(INS)—The \$25,000,000 price cut announced by "big steel" was hailed today by Gov. James H. Duff.

The governor, who warned against high steel prices in a speech to the Pennsylvania Manufacturers' Association in Philadelphia February 24, said the move was to be commended because it was a step forward in the battle against rising prices.

"I think it is a most commendable and highly constructive move," Duff asserted. "Our greatest domestic problem for some time has been inflation."

"Certainly we have to like that if we are to accept the world-wide responsibilities that are ours," he declared.

The governor indicated Philip Murray's "no strike" pledge on behalf of the steel workers union coupled with the price cut would prove important in the battle against high prices.

"It looks," Duff said, "as if the country is awakening to the fact that this is the only method of beating inflation."

To Hear Gideon

At Portersville

Richard V. Nelson, a layman, of Erie, representing the Gideons, will be heard Saturday evening at the Portersville Youth for Christ rally to be held at 8 o'clock in the Portersville U. P. church.

During the service, special music will be presented, with Rev. J. C. Fulton directing the song service.

TO PRESENT CONCERT

BEAVER FALLS, April 23.—After a series of concert programs throughout Pennsylvania, New York and New Jersey, the Genevans of the Geneva College glee club will present their annual spring recital next Friday evening, April 30.

Because soldiers of Marseilles marching into Paris in 1792 to take part in the attack on the Tuilleries sang Rouget de Lisle's battle song it became known as the Marseillaise.

GIRL SCOUTS

Highland Troop 31

Troop 31 met in the Highland U. P. church after school on Tuesday with the leader Mrs. McKenzie in charge. Reservations were made for the Girl Scout banquet. Practice for the banquet songs took place. Plans were discussed for the hike on May 4. The Little

Pioneer Patrol planned a party for May 4. Lillian Armstrong, troop scribe.

During 1947, the year of greatest recorded peacetime steel production, the two-billionth ton of steel in the United States.

Last year push-button flying enabled a pilotless Air Force plane to cross the Atlantic and land without human hands touching the controls.

Coal-burning and gas turbine locomotives were developed in 1947 to use finely pulverized coal.

With New Castle Afro-Americans

South Side Prayer band will gather this evening at 7:30 o'clock in the home of Mrs. Rena Brock, 121 Center Way.

Union Official Held By Police In Reuther Case

Communist Union Official Being
Interrogated In Attempted
Slaying In Detroit

DETROIT, April 23.—(INS)—Detroit police held a Communist union official today in their investigation of the attempted murder of Walter P. Reuther, Red-purging chief of the CIO United Auto Workers.

The official, Nelson Davis, 52, allegedly declared that he knew who fired the shotgun blast that seriously injured Reuther Tuesday night.

Wayne County Prosecutor James McNally said he had received "very valuable information" from a fellow-worker of Davis at the Ford Motor Company.

Four Picked Up

Davis, who holds an office in UAW Ford Local 600, was one of four left wing leaders of that local picked up by police in their man hunt for the enemies of the militant union leader. The other three were released after giving statements to the prosecutor.

McNally said that Davis admitted being a member of the party in a signed statement. He said the arrest had been made after a fellow-worker disclosed that Davis bragged he knew the identity of Reuther's assailant.

Rewards Total \$118,900

The tip was one of some 40 that have been investigated by the special police squads assigned to the case, stimulated by reward offers totalling \$118,900.

Reuther himself, recovering from shotgun wounds in his right arm and chest, was unable to supply any leads, and police had only two clues to go on—a description of a "late model red Ford" used in the getaway, and three footprints left by the gunman as he fired point blank through the kitchen window of the Reuther home.

BIRTHS

(Announcements to appear in this column must be signed with name and address of writer, and also give name of doctor.)

Jameson Memorial Hospital

To Mr. and Mrs. Donald Pettit, 508 Electric street, a daughter, April 22.

To Mr. and Mrs. Howard Fulwood, R. D. 1, a son, April 22.

To Mr. and Mrs. Tony Kriech, Bessemer, a daughter, April 22.

PERSONAL

Mr. and Mrs. Monroe Smith of Butler road have returned from Hot Springs, Ariz., where they have been sojourning for about four months.

Mrs. Nellie Phillips of New Wilmington, formerly of this city, has returned from St. Petersburg, Fla., after visiting for about six months, with Mr. and Mrs. Glenn Shaffer, formerly of New Wilmington.

Between 1890 and 1940, American college enrollments increased almost 10 fold.

W. C. T. U. AND L. T. L.

Highland L. T. L.

Highland L. T. L. will assemble for a special meeting Monday afternoon, April 26, at 4:10 o'clock in Highland U. P. church. Rev. Oliver Hurst, pastor of First Baptist church, will show the scientific moving picture, "The Beneficent Reprobate." This meeting will be open to all junior high school students.

County Executive Meeting

Lawrence county W. C. T. U. executive committee gathered Thursday afternoon in the Y. W. C. A. with Mrs. F. J. Fox, president, offering prayer. Mrs. Scott, spiritual life director, conducted devotions. Croton union will have a W. R. R. taping service in May. The Y. T. C. will have a county meeting Wednesday evening, May 5, at the Y. W. C. A. Rev. F. P. Sulmonetti and his evangelistic party will conduct the service.

W. C. T. U. members were asked to write immediately to Senator Martin and Senator Myers to have the Capper bill brought out of committee. Members are also ask-

ed to write to President Truman protesting the spending of millions of dollars of the taxpayers' money for tobacco and liquor in the European recovery relief program.

Temperance posters, made in the schools, are to be saved for the state W. C. T. U. convention next fall at Erie. Mrs. J. C. Pherson, W. R. R. director, closed with prayer.

Don't borrow money, but if a loan solves your problem, use the "Remember, I'm Sold On You" plan. It's the only plan that gives you the money you need today.

PAUL FOR DRUGS
It Costs
NO
More
People who know about
our high ethical standards;
our quest for quality; our
use of pure, potent drugs;
our double-check for accu-
racy, sometimes get the idea
that we are "pretty high-
priced." Actually, it costs no
more to live a prescription
compounded here. So why
not come in the next time?

SEVENTH WARD
Rev. Prof. W. Biberich
To Close Ministry
Has Served As Interim Pastor Of
Madison Christian Church
Since September 1946
On Sunday, April 25, Rev. Prof.
Walter Biberich will terminate his
interim pastorate with the Madison
Avenue Christian church.
Prof. Biberich, who is one of the
faculty of Westminster College, has
been ministering to the Madison
church since September, 1946, and
the relations between pastor and
flock have been very cordial.
Rev. Robert L. Smelser of Co-
lumbus, Ind., has accepted the call
to the Madison church pastorate,
and will begin his ministry on
May 1.

Senior Girl Scouts
Troop Organized
Announcement is made that a
new senior Girl Scout Troop has
been formed in the Mt. Jackson
district. This is the only senior
Girl Scout Troop in the New Cas-
tle Council, and will be known as
No. 1.
Mrs. Clarence Shumaker and
Mrs. James Crea, formerly leaders
of Girls Scout Troop No. 30, have
been moved on to take charge of
the new troop. The troop commit-
tee members selected are Mrs.
Carl Paden, Mrs. Samuel Martin
and Mrs. Harold Wilson.
New leaders for the interme-
diate or Troop 30, will be Mrs. Thom-
as Martin, leader, and Mrs. Elmer
Shaffer and Mrs. Margaret Ham-
mond, co-leaders.
The Senior Girl Scout commit-
tee will meet Tuesday evening,
April 27, at Mt. Jackson high school.

Erie Gideon To Speak
At Methodist Church
At Mahoning Methodist church
on Sunday morning at 11 o'clock,
H. D. McClintock, in charge of the
Gideon Camp at Erie, will occupy
the pulpit. Rev. J. L. Petrie, the
pastor will preside.
During April and May, the
church school is having a visitation
campaign for absentees, and gather-
ing in new members. Lawrence
C. Goodwin, general superintendent,
states that the campaign is
already bringing good results.
This campaign is in connection
with the Methodist "Crusade For
Christ", sponsored by the Council
of Bishops of the Methodist church
throughout the nation.
Rev. Petrie and Mr. Goodwin
will represent Mahoning Methodist
church school, at the Gideon ban-
quet, on Saturday evening.

Is Now Engineer
In Chattanooga
Mr. and Mrs. William M. King,
of 519 North Cedar street, have re-
ceived word from their son, Wil-
liam King, located in Chattanooga,
Tenn., that he is getting along
nicely at his position. Since March
15, he has been employed as a me-
chanical engineer with the Com-
bustion Engineering Company,
there.
William is a graduate of Car-
negie Technical University of Pitts-
burgh, this last February.

Wilmington: membership.
Mrs. Jesse Carr, Volant, and national
and foreign missions. Mrs. George
Englehardt, Sharpville.
Rev. E. R. Tait, Pulaski Presby-
terian church, offered the benedic-
tion. Next spring's presbyterial
will take place at Westfield church.
Westminster Fellowship Banquet.
Westminster Fellowship of Shen-
ango Presbytery enjoyed a banquet
Thursday evening in Bessemer
Presbyterian church. A tasty meal
was served by women of the
church. Group singing was led by
Rev. O. R. Stang, Ellwood City. Roy
Meehan, Shenango, Westminster
Fellowship moderator, announced
the Westminster Fellowship Synod
assembly at Chambersburg, June
18 to 22. He urged the young peo-
ple to take part in the world ser-
vice project, Witwisp, collecting
used clothing for overseas.
A worship service was conducted
by the young people. Mr. Meehan
offered a vocal solo. Mr. Ponce-
l was the speaker. He challenged the
youth to full time Christian ser-
vice. Rev. C. W. Cochran, Mt. Her-
mon, closed with the benediction.
Rev. J. M. Fife is Westminster Fel-
lowship advisor for Shenango Pres-
bytery, while Mrs. Fife is advisor
for the presbyterial. Next rally
will take place in June.

CHILD CUTS WRIST
Little Charles Cameron, aged
two and a half years, of 709 Wil-
lington avenue, was treated at the
Jameson Memorial hospital at 5:45
p. m. Thursday, for a laceration
of the right wrist, received when
he fell while at play, cutting his
wrist on a piece of glass.

CHILD BREAKS ARM.
Jacqueline Thomas, aged five
years, of 329 Laurel Boulevard,
suffered a fracture of the upper
right arm, when she fell while at
play, late Thursday morning. She
was treated at the Jameson Mem-
orial hospital.

Parent-Teachers
Harrisburg Unit
Harrisburg P. T. A. met on
April 15 for the regular meeting,
program and election of officers.
During the meeting, Charles An-
drews of the Bell Telephone com-
pany showed pictures of the early
development of the telephone
down to the present time. Mr.
Stunkard, principal of the Har-
risburg school, also showed pic-
tures on "Pleasure Lands of Penn-
sylvania".
During the meeting the follow-
ing officers were elected for the
year: president, Mrs. Leslie P. Mc-
Cracken; vice president, Mrs. Eu-
gene Hall; secretary, Mrs. Edwin
Johnson; treasurer, Mrs. Clarence
Allison.
The next meeting will be on May
20, when a mother's day program
will be held. A program under
the direction of Mrs. S. A. Eakin
will be given which will include

Union Township
Union township P. T. A. held its
monthly meeting Tuesday evening
in the high school building with
Mrs. George A. Mattocks, pres-
ident, in charge.
Officers were elected as follows:
president, James P. Fowler; vice
president, Mrs. Margaret Griddle;
secretary, Mrs. Erma Smith; treas-
urer, Mrs. Esther Radabaugh.
Delegates to the spring confer-
ence of the southwestern district

Presbyterial Has
Sessions Thursday
Shenango Presbyterial Names Of-
ficers At Neshannock Pres-
byterian Church
Women of the Presbyterian
churches of Shenango Presbytery
assembled Thursday in Neshannock
Presbyterian church, New Wil-
mington.
The morning session opened with
a prayer group at 9:30 o'clock with
Mrs. R. R. Throop, Bessemer, as
leader. Music was offered during
devotions by two members of
Wynona auxiliary of Bessemer
Presbyterian church. "Excell in
This Gracious Work" was the meet-
ing's theme.
Mrs. E. E. Moon, president,
Sharpville, presided at the morn-
ing session. Mrs. O. R. Stang, El-
wood City, led a worship service.
Greetings were brought by Mrs.
Paul Osborne, of the hostess's
church. Rev. Sheldon Blair, Sharp-
ville Presbyterian church, gave
greetings from the presbytery. Re-
ports of the various secretaries
showed definite gains during the
past year.
Joseph A. Ponce, superintendent
of Tuscon Indian Training school,
Tucson, Ariz., told of his work
among the Indians. He said that
the Indian is broken in body and
spirit because of what the white
man has done to him.
Afternoon Session
Following luncheon, the execu-
tive board met. Mrs. C. W. Coch-
ran, Mt. Hermon, opened the af-
ternoon assembly with prayer. Over
300 answered to roll call. Greet-
ings were given by Mrs. John
Connell, syndical president, But-
let.
Mrs. F. R. Woods, treasurer, re-
ported that Shenango Presbyterial
had contributed over \$1,100 above
the past year's apportionment. Miss
Mildred Powell, accompanied by
Miss Jean Clark, offered "Beside
Still Waters" as a vocal solo. Mrs.
Frank Llewellyn, missionary to
Ferozepur, India, told of her expe-
riences August 10, and following
when India was divided. During the
riot the Christians came to the
front and cared for the wounded.
Mrs. C. N. Moore, New Castle,
installed new officers for the com-
ing year. Those elected are: vice-
president of Sharon district, Mrs.
Paul Shields, New Bedford; vice-
president of Ellwood district, Mrs.
Roy Marion, Ellwood City; record-
ing secretary, Mrs. J. H. Stockfish,
Sharon; treasurer, Mrs. A. C.
Brown, New Castle; assistant treas-
urer, Mrs. F. R. Woods, New Cas-
tle, and new member of nominating
committee, Mrs. R. M. Patterson,
New Castle.
Secretaries are: missionary edu-
cation, Mrs. Grace Benford, El-
wood City; overseas sewing, Mrs.
J. W. Fullerton, Mahoningtown;
social education and action, Mrs.
Wade Daugherty, New Castle; in-
termediate, Mrs. Herbert Bell, New

Accident Victim
Has Good Night
It was stated at the Jameson
Memorial hospital this morning
that Clyde Branscome, of Highland
avenue, who suffered critical in-
juries at the Mooney Brothers
plant on Mahoning avenue, while
working for the Conn Welding
Company, had a fair night, and
that hopes are entertained for his
recovery.
Mr. Branscome was caught be-
tween two trucks, while engaged
in moving some steel on which he
was working. He suffered a frac-
tured pelvis and internal injuries
of the pelvic area for which he was
operated on.

Officials Close Book In Death Of Fighter

MILWAUKEE, April 23.—(INS)—Officials closed the book today on the death of middleweight Jackie Darthard after district attorney William J. McCauley termed the seventh boxing fatality in 61 days "one of those things that will happen so long as we have boxing."

Darthard died of a cerebral hemorrhage in Milwaukee County hospital yesterday morning, 10 hours after slipping unconscious from his stool between rounds of his feature 10-rounder against Bert Lytell at Milwaukee auditorium.

The dead fighter's mother, Mrs. Mary Darthard, was in Milwaukee today to supervise return of her son's body to his native Kansas City. Darthard's widow, Ernestine, was confined to their Kansas City home. She was expecting a child.

Lytell, third ranking middleweight in the most recent ratings of the Ring magazine, said he would fight a benefit "anywhere, any time" for the family of the dead Negro puncher, who would have been 19 years old May 4.

Wisconsin boxing commission chairman Fred Saddy declared that, like the district attorney's office, the commission was satisfied the mishap was completely accidental and everything possible was done to save Darthard's life.

Wisconsin's new "safety code" of boxing rules, including eight-ounce gloves for all fights and a mandatory eight count on all knockdowns, were agreed upon 17 days ago but will not have gone into effect until the next regularly-scheduled auditorium card next month.

Bessemer High Thumps Union

Bessemer bats explode at Union, tied with Wampum for first place.

Bessemer High broke out in a rain of hits at the Union High field yesterday with a 15 to 7 defeat of the Union High Scotties, in a Section 8 WPIAL game. Phil Tiratto on the hill for the Cement Towners gave up seven hits. Homers were hit by Retort of Bessemer and Pilshaw of Union. Other heavy hitters were—Stanley with four hits, one a triple and Hoover with a double and single.

Monday Wampum plays at Bessemer. Bessemer and Wampum are tied at 3 wins and one defeat apiece for first place.

By innings: R. H. E. Bessemer . . . 032 031 0—15 15 5 Union . . . 120 001 3—7 7 4 Batteries—Bessemer: P. Tiratto and Retort. Union—Allison, Hutchinson in 4th and Fowler, Callanan.

Umpires Will Meet Tonight

Albert J. Confi, president of the Lawrence County Umpires association has called an important meeting of the arbiters for tonight at the "Y" at 8 o'clock. Matters pertaining to the city and county leagues will be discussed. All members are urged to try and get to the meeting.

Spring Football At Westminster Coming To Close

NEW WILMINGTON, Pa., April 23.—Spring football drills will move into their final two weeks of the six weeks session being conducted at Westminster college. Head coach Mel Hetzler has been drilling the Titans in the T-formation in preparation for next fall's campaign.

For the past two years the Titans have employed the single wing, but Hetzler has expressed a satisfaction with the "T" and expects to use it through next fall.

The form exhibited thus far has offered some hope that the Titans will snap out of the football doldrums of the last two seasons—Westminster having won two in their last sixteen games.

Titan Track Team Will Be Strong

NEW WILMINGTON, Pa., April 23.—The Titans will show a strong team in track when they tangle with Slippery Rock, Thursday, April 29. Chief question mark until a few days ago was the field events where the mid-year graduation of Greensburg's Joe DeMoise hurt the Titans greatly. But, when basketball star Allan McCullough was given the go-ahead sign to participate in spring sports that question mark was partially erased.

The Bradford husky is expected to hurl the disc and javelin. New faces will dot the Titan team with Art Jones, dash man from Sewickley, and Rich Paul, Silver Creek, N. Y., high jumper, especially noteworthy.

Phil Bridenbaugh Will Be Speaker

Announcement has been made that Head Coach Phil Bridenbaugh of New Castle High will be the main speaker at the St. Mary's Father and Sons and football banquet at the St. Mary's church Wednesday, April 28th.

Leo Carrigan will toastmaster the banquet. Other speakers will be football coach Joe Howley and Harry Marshall basketball coach, and "Bugs" Walther, News sports writer, along with others. The banquet starts at 6 o'clock.

EIGHT TEAMS IN LEGION CIRCUIT
The American Legion Junior baseball league held a meeting last evening with eight teams present. Any other team that wants in the league can contact Wes Mann. The season will start May 17th.

FRANKS TO PRACTICE
West Side Franks will practice at 5:15 p. m. today and also at two p. m. Sunday on Lee avenue. All old and new players are to report promptly.

Softball League Opens May 10th, Have Nine Teams

Names Of Players Must Be Turned In By Third Game, Next Meeting May 6

The City Softball League held their meeting last evening in the Y.M.C.A. with President Rocco P. Viggiano in charge.

Nine teams were represented and it was voted upon by the managers to operate the league with nine teams.

It was also voted on that all players names must be turned in to the secretary by the third game of the season.

Will Share Fields
Playing fields were discussed and it was decided to use five fields with two teams sharing each field. They are as follows: Dean Park—Tempys and Shady-side; Gaston Park—Local 1284 and United Engineering; Rose Ave.—Red's Dairy and Shamrocks; Deshon—National Guard and N. C. Business College; Cascade Street—Dukes.

The league will abide strictly by the 1948 official softball rules. No action was taken on the selection of a commissioner as yet.

Numbers were drawn by each team and submitted to Bird Riley for the drawing up of the league schedule. The league will open on Monday, May 10.

The next meeting will be held on Thursday evening, May 6 at the "Y" at which time all league business will be completed.

WILL HAVE DRILL
The Local 1284 softball team will have a workout at the Gaston Park field at 5:30 o'clock it was announced by G. Jannetti. All players are to be prompt in reporting.

SHE'S 'MISS SPEEDWAY' OF '48

SELECTED to reign over festivities of the annual 500-mile automobile race at Indianapolis, May 30, Jane Cartwright is presented with a crash helmet by Wilbur Shaw, president of the Speedway and former ace race driver himself.

Lobbyists Working To Get Racing Sanction In State

By JOHN PAGET
(International News Service Staff Correspondent)
HARRISBURG, April 23.—(INS)—A powerful lobby is set up today in Harrisburg to work for legislative sanction of horse racing in Pennsylvania.

The lobby has been identified by the State Corporations bureau as the "association for legalized horse racing in Pennsylvania" from papers filed in conjunction with a petition for a charter. Lobby headquarters will be in a mid-Harrisburg office building.

From the purposes of the association enunciated in its petition, it seems certain that the lobbyists plan a statewide campaign of publicity favorable to pari-mutual betting and horse racing prior to the 1948 session of the General Assembly.

The association stated in its petition that it intended to foster legislation toward legalizing horse racing in the state.

Legislative officials are unable to recall any similar attempt by an organization formed solely for the purpose of jamming a horse racing "legalizer" through the legislature although there have been many efforts in past sessions to sanction racing.

Introduce Bills
In virtually every session of the assembly for many decades, legislation favoring horse racing has been introduced. The last time a record vote was taken was during the 1945 session when a Republican controlled house stopped a "legalizer" by a narrow margin of 18 votes.

Five bills proposing legalized pari-mutual betting and horse racing were introduced during the 1947 session but they never were reported from committee.

The supporters of horse racing usually propose a state commission to supervise one to three tracks, to fix the Commonwealth's "cut" from bets and to schedule meet dates which would not conflict with those in adjacent states were racing is allowed.

The disclosure of the association's formation pointed up reports that another well-financed battle would be made in the next session to sanction betting and racing.

Experience has shown that the so-called "Big City" delegations, such as represent Pittsburgh and Philadelphia, back racing while the rural bloc votes solidly in opposition. Assemblymen are never bound by caucus action on such legislation and vote as they see fit.

It is often reported when horse racing legislation is pending that out-of-state lobbies diligently work to assure defeat because it would mean more competition for the adjacent states which depend on bettors from Pennsylvania.

VETERANS!

YOU CAN WRITE YOUR OWN TICKET FOR AN ARMY EDUCATION.
Have you heard about the Army Technical School Plan? Under it, any young man who has graduated from high school can select his Army Technical School before he enlists for 3 years. This is your opportunity to get a good education, get good pay, good steady work and plenty of opportunity for advancement.

Under the plan, you may select two fields of interest, and in each field you may select 2 courses that interest you—4 courses in all. If there is an opening in one of the courses you have picked, you will be enrolled for it before you enlist and will be guaranteed the training you want after you are in the Army. Get all the facts at the U. S. Army and U. S. Air Force Recruiting Station located in Room 202, Post Office Building.

DESPITE SHOWING OF TWO OUTFITS, GAMES CRUCIAL

By LES CONKLIN
(International News Service Staff Writer)
NEW YORK, April 23.—(INS)—The three-game series opening between the Boston Red Sox and the New York Yankees today is a crucial one despite the fact that the two rivals, co-choices for the American League pennant, or in or near the cellar at the moment.

Normally you wouldn't think that the sorely-wounded Red Sox would consider Yankee Stadium as any glacial as far as finding any balm is concerned.

But as it so happens, the Bosox are storming the New York citadel at a time when the Yankee defense is highly vulnerable, as far as pitching is concerned.

Right now, the Yanks do not have a single thrower who looks like a sure-fire winner. Even Spec Shea, who is slated to oppose Mickey Harris today, has a blistered index finger.

Thus the Sox, who have been getting fair pitching if nothing else, have a golden opportunity to atone for their three consecutive defeats by the Philadelphia Athletics.

At that, they lost to the A's yesterday, 5 to 3, only because outfield Sam Mele lost a fly in the sun with two men on base in the ninth inning.

Sharing first place with the A's in the junior circuit are the Detroit Tigers, whose mound staff is living up to its grade A rep. Yesterday it was Virgil Trucks who downed the Chicago White Sox, 3 to 2.

In the National League, the St. Louis Cardinals, who are supposed to boast a pitching monopoly similar to that enjoyed by the Tigers in the junior circuit, started Howie Pollet after previous successful sorties with Murry Dickson and Red Munger.

The stylish southpaw performed all right against Cincinnati for eight innings, but after he retired, the Reds won in the ninth, 4 to 3, on Cardini errors.

Brooklyn took the third and rubber game from New York, 6 to 3, with sore-armed Harry Taylor gaining credit for the win. Whitey Lockman of the Giants had a perfect day at bat with four hits including a homer and a double.

Elmer Riddle, who wasn't good enough for the Reds, hurled Pittsburgh to a two-hit, 3-0 shutout over Chicago. Ralph Kiner hit his first homer for the Bucs.

Wampum Honoring Athletes April 29
The annual Wampum High basketball testimonial dinner will be held April 29th at the Wampum Presbyterian church at 6 o'clock EST. Tickets for the dinner are still available, it was announced today. Professor Walter Biberich of Westminster College will be the featured attraction.

Tanner Hurls Two-Hitter
Young Bill Tanner the Shenango High ace hurler, pitched a swell two-hitter yesterday at Wampum as he stopped the Wampum winning streak of three straight, with an air-tight performance. The losing hurler was Armatorio, who gave up nine hits.

The defeat places Wampum in a tie with Bessemer for first place, the two teams meeting Monday to break the deadlock.

By innings:— R. H. E. Shenango . . . 030 201 0—6 9 1 Wampum . . . 000 002 0—2 2 3 Batteries—Shenango: Tanner and Getchy. Wampum—Armatorio and Richardson.

HERE AND THERE IN SPORTS' LAND

DENTON TRUE (CY) YOUNG, who made a last minute decision to attend the Boosters club banquet here Wednesday night, literally coozes baseball. The sprightly old pitcher, who has passed his eightieth milestone, will discourse on the diamond sport for hours if he has an interested listener who wants to know about the history of the game. Cy had plenty of fans buzzing around him both before and after the dinner and didn't dodge any questions put to him. The old-time hero of the mound, who now busies himself with his farm at Newcomerstown, O., has a record that makes the feats of the present-day hurlers seem puny, indeed. Cy played with the clubs in both the National and American leagues during his 22-year stay in the "big show" and compiled a total of wins that probably will never be equalled. He shares his tenure in the majors with Herb Pennock (1912-1934) and "Sad Sam" Jones (1914-1935). Pennock, who passed on recently, spent part of 1915 and 1916 in the minors. During his span, Young pitched 874 games and won 511 of them for an average of .617. His nearest rival in games won was the late Walter (Big Train) Johnson, who copped 414 during his major league career. Breakdown of Young's victories shows that he won 220 games in the American loop and 291 in the National. Old "Cy" gave an inspiring talk to the youngsters of the New Castle Chiefs, and the sincerity of his remarks impressed his listeners. He wound up his speech with these words: "I wish the New Castle club every success in organized baseball. Get behind your club, win or lose, and back it. I hope your success is flourishing here after I am gone and flourishing." It is a distinct honor to have such a baseball luminary as Cy Young appear here on the eve of pro baseball rebirth in the city. The agile, pipe-smoking Hall of Fame member, who loves the game as much as life itself, will replay his career wherever he may go. It was a pleasure that he donated a few innings of those recollections to the fans of New Castle.

Coaltown Looms As Real Threat

Unbeaten Calumet Speedster Smashes Keeneland Track Record Thursday

LEXINGTON, Ky., April 23.—(INS)—Citation and Coaltown, the greatest one-two potential in Kentucky Derby history, loomed mightier than ever today behind vivid confirmation that Coaltown can go a route.

Guided by Norm Pierson, subsequently named as his Kentucky Derby jockey, the undefeated Calumet farm speedster smashed the Keeneland track record yesterday in winning the \$15,000 added Blue Grass stakes at a mile and one-eighth.

Coaltown won by four lengths over Walmac Farm's Billings and four other derby eligibles in the time of 1:49.1, fifth of a second better than the course mark set by Tunica in 1938.

Strong Start
Jockey Pierson took the fleet Coaltown out strong at the start and came home alone with the field of Billings, Shy Guy, Eagle Look, Dole and Syndicate following under the wire in that order.

Coaltown paid \$2.60 to win and \$2.20 to place, and Billings, coupled with H. Wells' Eagle Look, paid \$2.60 to place. No show tickets were sold.

Pierson declared at the end of the race that Coaltown, second only to stablemate Citation in pre-Kentucky Derby wagering, ran his own race. The jockey said:

"I never had Coaltown extended at any time."

Pierson added he "hand-rode" Coaltown all the way, never used a whip, and just coasted home. He added:

"I didn't even have to shake him up."

Chicago, April 23.—(INS)—The big boys among the nation's bookmakers, in unprecedented fear and trembling, today were refusing all show bets on either Citation or Coaltown for next Saturday's Kentucky Derby.

All other eligibles still could be bet upon not only to finish third, but even fourth.

When it came to Calumet Farm's thundering twosome, however, the odds were a frightening 4 to 1 in some places, 3 to 5 for win; 1 to 3 for place; and the big "out" signs were up on the boards under "third" and "fourth."

Citation's triumph of last weekend reaffirmed him as definitely the horse to beat, while Coaltown's record-smashing victory in the Blue Grass stakes at Keeneland yesterday—his first sally of more than six furlongs—sent the odds on him tumbling downward.

Before the Blue Grass, most bookies were quoting 4 to 1 on Coaltown for win, 3 to 2 for place and 3 to 4 for show. Yesterday's results changed all that.

CARLSON TO ATTEND CLINIC
Doctor H. Clifford "Doc" Carlson, head basketball coach at the University of Pittsburgh and the dean of collegiate hardwood mentors, will conduct a special one-day basketball clinic at the Edinboro Coaching school which is being sponsored by the Northwestern Pennsylvania Coaching association at Edinboro State Teachers college, August 10 through 13, at Edinboro, Pa.

WILL PLAY SUNDAY
The Hillside baseball team of the county league will play the Ecclesian Club team of New Castle Sunday at 3 o'clock at the Hillside field, in an exhibition game, it was announced by Manager "Lippy" Caldaro.

ARRANGE EXHIBITION GAME
The East Side Shamrocks will play the Shadyside Tigers in an exhibition softball game at Rose avenue tonight at 5:30 o'clock.

SALA TO MEET HORNE
PITTSBURGH, April 23.—(INS)—Lee Sala, undefeated Donora middleweight, will meet George (Sonny) Horne, Niles, O., in a 10-round bout in Pittsburgh on May 3, it was announced today.

Sala has won all 38 of his professional fights, 27 of them by knockouts. In Horne he meets his toughest foe to date.

Horne recently dropped a close decision to middleweight champion Rocky Graziano in Washington. He is considered one of the best boxers in the middleweight division, though a little shy of punching power.

WILL PLAY TONIGHT
Tempy's Beach softball team will play the Red's Dairy team in an exhibition game at Dean Park tonight at 5:30 o'clock.

Jackie Armitage Gets Off Floor To Kayo Coffey

PITTSBURGH, April 23.—(INS)—Jackie Armitage, New Kensington welterweight, today was another step up the ladder after his two-round knockout of Willard Coffey, the West Virginal welter champ.

Armitage had to do it the hard way at the Aragon Gardens in Pittsburgh last night. Coffey floored the New Kensington puncher for a nine count in the first round with a solid right to the jaw.

However, Armitage came back strong in the second stanza and

put Coffey away with a flurry of punches.

Both men weighed 149. In the semi-final, Richie Calura, 136, Pittsburgh, came back to the wars after a six months lay-off to register a unanimous six-round decision over clever Jackie Eisenberger, 135, Pittsburgh.

In another six-rounder Irish Jackie O'Rourke, 165, Beechview, pounded out a unanimous decision over Ossie Neal, 169, Donora. Jackie Watkins, 131, Homestead, a protégé of former welterweight king Fritz Zivic, scored a one-round knockout over Jackie Sharp, 129, Pittsburgh. The fight was scheduled to go four rounds.

In the opening four, Billy Malone, 150, Lawrenceville, won a split decision from Willie Guy, 143, New Kensington.

Drive slow—children move fast.
